Obituary.

ROBERT HICKEY

Death has removed another of our esteemed and respected townsmen in the person of Robert Hickey, who passed away suddenly on Thursday last. Deceased had not been in good health for some time. He was born in Erin 63 years ago, came to Georgetown when a lad and has resided here ever since. He was a paper maker by trade and was employed with Wm. Barber Bros., for many years. He was a good citizen, of a genial disposition and had many friends. Besides his widow, he leaves to mourn his loss one daughter Miss Annie, and one son, James Hickey, of Milton. Another son, Pte. Harry Hickey, was killed recently in France. Also a brother, Mr James Hickey.

The funeral service on Saturday morning was conducted by Rev. Father Doyle. The pall bearers were: J. Lister, Jas Scott, Jos Behale, E Stafford, M Borden, D. L. Curry.

PTE WILLIAM LISTER

At Oakville, on Saturday evening, Pte. Wm Lister of the 164 Batt., expired suddenly while on a visit to his home. He was in his 25th year and was the eldest son of Mr and Mrs Jas Lister, formerly of Georgetown. He was a great athelete and a star hockey player. His boyhood days were spent here and many of his former school mates regret sincerely his early demise. The remains were brought to Georgetown on Tuesday and interred in the family plot in Greenwood Cemetery. It was a Military funeral, the casket was draped with a Union Jack, and the 20th Batt. Band and members of the 164th Batt. took part in the service which was conducted by Rev. Father Doyle.

Is He Right

At the Wardens supper at the McGibbon House on Monday night of last week Mr. Morrison, barrister of Burlington, in responding to the toast of "The Bench and Bar" gave expression to some advance ideas that would surely if carried into effect, revolutionise present law methods and practices. As the law stands at present, when a man is to be tried for some criminal offence the Crown hires and pays some lawyer to prosecute and if possible, convict him, whereas the man who is being tried has to, if he has the means, hire his own lawyer and pay him to defend and if possible prove his innocence. Mr. Morrison contends that this is not fair—that the Crown, or State, has as much right to hire a lawyer to defend a man as it has to hire a lawer to prosecute him, for every man charged with a crime is deemed to be innocent until he is proven guilty. Mr Morrison also believed that there should be a municipal doctor, that is, in the case of the poor who are not able to pay for the services of a physician, they are entitled to receive such at the expense of the municipality. Some may think Mr Morrison has Socialtic ideas. Well, Mr. Morrison won't deny the soft impeachment, for he stated at the outset of his remarks that they called him a Conservative, but he was a Socialist-Conservative, and believed the laws of this country along certain lines needed some radical revisions in order to be in accord with the spirit of the times. That many present at the banquet agreed with his views was demonstrated by the frequent applause that greeted his remarks—Reformer.

Stewarttown

St. John's S.S. Entertainment came off very successfully on Wednesday evening last. Those who instructed the children felt well repaid for their labors when the pieces were rendered so well. The members and friends of the Woman's Auxiliary took advantage of the occasion to present an address and Life-membership to the W.A. to their secretary, Mrs Tracy, who is completing fifteen years of faithful service. The following is the address:

Mrs Tracy,
Secretary St. John's Church Branch,
W.A.M.A., Stewarttown.

Dear Mrs. Tracy,

Your fellow workers and friends in the cause of the Women's Auxiliary to the Missionary Society of the Canadian Church wish to recognise your long and efficient service as Secretary of the branch in St John's Church, Stewarttown, and feel that they cannot do so in any way that would be more acceptable to yourself, and more lasting by way of remembrance than by making you a Life member of the Auxiliary in the Diocese.

We therefore hand you this certificate of life-membership with the accompanying pin and list of names of contributors, assuring you of the esteem of the members and friends of St. John's Church.

We know that your labor of the past has been one of love, prompted by the motto of the entire Auxiliary, "The love of Christ constraineth us" and we trust and pray that you may long be spared still to carry on the good work.

In conclusion we wish you all the peace, goodwill and happiness of the approaching Christmas season.

On behalf of the Women's Auxiliary and friends.

Nancy Smith, President
Sarah A. Thompson, Vice-Pres.
Annie R. Thompson, Treasurer
Adeline Johnston, Sec'y U.T.O.
