Successful Assembly

Probably one of the most enjoyable dances ever held in our town hall, was that of last Friday evening. There was a large attendance; the excellent music supplied by the Lyric Orchestra of Brampton and the splendid new floor delighted all present. The hall looked splendid in its new dress and we congratulate the Council on the success of their effort. It would be appreciated by the dancing public if the program played by the Lyric Orchestra were repeated in the very near future.

Manager New Paper Co.

What promises to be an important business acquisition to the town of Cookshire in the wrat and gleaming paper company with Senator Pope as its chief promoter, and Mr. J. A. Mallool, now head of the Mallool Lumbermen Bureau, of that department, as its general manager. The buildings, one 60x160 feet and another 40x70 feet, are now well on their way to completion and the machinery is expected for shipment may be seen in the window of the store lately occupied by Mr A. M. Grandy, and it would make the work of shipping a great deal easier if citizens generally would tie up their papers in the same way in the future owing to the difficulties of importation, the Belgium people to be a very important and extensive one. The introduction of such a business is bound to be of great benefit not only to the town of Cookshire, but to the whole of the country and even the province. It is understood that the old publishing plant, formerly known as the Compton County Printing Press, has been purchased over by the Way and Company Book Co. to form part of their business in Sherbrooke Daily Record.

How About a Half Holiday

Some merchants have expressed the desire that a half-holiday a week should be proclaimed in order to allow those tied to business during the day an opportunity to spend a little extra time at garden work. This would not be a bad idea if half-holidays were observed soley for that purpose. If such a scheme be adopted, now is the time to start—not in the middle of the summer.

Fatality at Hornby

On Tuesday, May 1st, Mr John Cowan of Hornby, an old man of 80 years, met with his death in a rather tragic manner. We understand they were shipping horses at his place, and one of the horses getting away from the boy in the stable, made for the open door. Mr Cowan went to shut the door, when the horse forced it open and it fell down with the deceased under it, and the horse walking over it stepped on the old gentleman's head, inflicting such injuries as caused his death shortly afterwards, although medical assistance was summoned.—Milton Reformer.

Overland

Effective May 1st f. o. b. Toronto Subject to change without notice

Back of this season's new Overland Big Fours and Light Sixes is a direct line of nine preceding models from which they were developed.

They directly continue the line of models that made the Overland name stand in the public mind for integrity of value.

Overland policy has steadfastly sustained that integrity of value in the car throughout its entire service in the hands of owners.

Over three hundred thousand of these cars are now in use and the helpful suggestions of their owners and of the more than four thousand dealer and factory-branch organizations that sold and served them, are largely responsible for the balanced greatness of this season's Big Fours and Light Sixes.

Their new beauty, their perfected easy riding qualities, their proved sturdiness and mechanical excellence, their admitted tire, fuel and oil economy make them worthy of the confidence we enjoy, that they will still further enhance Overland prestige.

They embody the wisdom of the unmatched Overland experience in building cars of this type.

They are dominant values, cars of proven dependability and sterling worth.

Let us show you these cars and demonstrate them.

Here's help in decorating your home inside and outside

People judge you by your home. A beautiful home, well decorated outside and inside is not only a pleasant place to live —but commands the respect and admiration of your friends and neighbors.

Good decorating results require good taste plus good finishes, plus proper skill in applying. You can get expert advice on all three if you consult us about

Lowe Brothers

Paints, Varnishes, Enamels, Stains

In the selection of paint for the exterior it is economy to use Lowe Brothers "High Standard" Liquid Paint. It is scientifically-made paint that gives perfect protection with lasting beauty. "High Standard" Paint spreads and goes" farther than cheap paint—sets in a close tight coat—resists years of wind, sun and wet—fails only by gradual wear—leaves a good surface for repainting.

For the walls and ceilings, use Lowe Brothers "High Standard" Mellotone. Its rich colors rest as well as delight the eyes. It is fadeless and washable—not easily scratched or marred—and decidedly economical.

For refinishing furniture, floors and woodwork, Lowe Brothers Varnicol comes in colors to match usual finishes. Easy to use—economical.

For varnish that wears, retains its brilliancy and depth of lustre, choose Lowe Brothers "Little Blue Flag" Varnish—one for every purpose.

For solid colors on old floors use Lowe Brothers Hard Drying Floor Paint.

You will always get good paint values you see this sign.

If you have a decorating problem we'll be glad to help you
