Overland success is so colipsing that one might take it as a matter of course. But make it have a personal application -because the cost of any car is too much money to be carelowly spent.

There need be no confusion in selecting the sound value at the same price—make comparisons and see if Willys-Overland does not spell the answer with mathematical correctness.

Do not miss the significance of the overwholmlng production that makes it possible for us to give beller care at lower prices. More than 400,000 owners have been gulded to Willys-Overland by their desire for beauty, comfort and luxury in addition to utility.

economics; has never found it necessary to skimp or rob a car of value in order to competer but is able to give surplus value throughout the entire car for far Might may not make right, but right has made Overland wight.
The Overland Light Four from the standpoint of mechanical excellence, easy ridless money.

ing comfort, roominess and beauty is incomparably a better car than can be had in any other make at anything like Come in and see the Willys-Overland
Motor Cara—the Light Four and the
