Lime as a Fertilizer.

Nelson Farmers' Club Seed Disposition to
Limehouse

There was some stir in Limehouse last
Saturday afternoon when the representa-

tives of Nelson's Farmers' Club arrived
in that village in their autos.

The farmers of Nelson are a very pro-

gressive body. They took out work at
12 o'clock every Saturday and spent the

day in the fields, through the
country, bringing with them in their

autos, and keeping their eyes
and ears open in order to see and hear if

any other farmer has a better way of till-

ing soil or can produce greater crops than
they.

They had heard of the merits of lime
as a fertilizer and were very anxious to

try it. Mr. William Gowdy in order to
view the results attended through agents

conducted by Mr. Gowdy. They were
impressed by the results.

GRANDY'S THE MAN

Next week will see the height of the Strawberry season
and you had better get on

Grandy's List Right Away

You may not be supplied immediately but you can be as-
sured of getting

Absolutely Fresh Strawberries

Not the kind with a train voyage behind, sitting in the
sun on station platforms, and thrown on and off railway trucks
by some who would like to see how hard a crack they can stand.

Also Remember

Our Food Controller has urged that PERISHABLE FOOD
be used by those at home SO FAR AS POSSIBLE in order that
foods, which can be shipped, may go to our Troops and Allies.

Let us see now if we can satisfy Georgetown's appetite for
