No Fixed Price for Furniture

— Good afternoon. Has decided that it will be impossible to fix a price on furniture. This decision was reached after hearing a discussion at Ottawa by the Eastern potato growers on the cost of producing a 50 lb. bag in each of the five eastern provinces, which is as follows: Ontario \$1.37; Quebec \$1.60; New Brunswick \$1.35 to \$1.50; Nova Scotia, \$1.00; Prince Edward Island, \$1.00. To these costs must be added a fair profit to the grower, freight and the producer, money to the wholesaler and retailer. Careful estimates indicate that there will be a considerable surplus in excess of normal consumption.

Ford Concessions on Stock

— Mr. Strong, local representative of the Ontario Department of Agriculture, is co-operating with the Honorable Martin Barrill in carrying out the plan recently announced, by which the present freight concessions on some railroad shipments of female cattle and sheep to Ontario points. Ontario breeders will be particularly interested in the free freight policy included in the Minister's announcement.

Farmers who are in a position to handle additional cattle for feeding purposes this winter or for breeding on pasture, may apply for a reduction of twenty-five per cent of freight charges paid on such railroad shipments which they may purchase in Western Stock Yards. The district representative will be glad to furnish any further information desired and assist farmers in arranging for co-operative shipments if desired.

## Personal

Mrs. Webster, of St. George's, spent the weekend with friends in town.  
Mrs. W. A. Fraser and Miss Eleanor Fraser were visitors in town last week.  
Mrs. J. W. Kennedy and Lieut. M. Kennedy were visiting friends in Brooklyn.

Miss Elsa Clark is now at the Military Hospital at Toronto and expects soon to go overseas.

Mr. J. E. Otto and family have moved to town and taken up their residence on Maple Ave.

Dr. and Mrs. H. Holmes, of Owen Sound, arrived in town and spent a couple of days here.

Mr. and Mrs. G. H. Hall, Lupton, and Miss Mason, Chicago, were week-end visitors at Mr. Wm. Tyndall's.

Dr. and Mrs. Cline and Mr. and Mrs. F. Bassey have been attending the Convention at Woodstock during the past week.

*Birth of a Nation*

A large gathering greeted the "Birth of a Nation" yesterday afternoon and evening. It was a magnificent spectacle appreciated by all present. Much thanks is due Mr. Gregory, who by his efforts made it possible for Georgetown to view this world renowned film picture.

The New Methodist Hymn Book.

— Wm. McLean speaking on "Our Little Hymns and Hymn Writers," is a meeting in Town last week, said: "The new Methodist Hymn book is a magnificent book, superior to any book hitherto issued in Canada." This new hymn book is shortly to be adopted by the Methodist Church here. The new book may be secured at all book stores after October 1st.

*Hear Him*

Just because some children can't solve these brain-teasing examples or answer such questions on the entrance examination they are debarred from the High School of Commerce. "It isn't right," declared Trustee Hobart at the management committee of the Toronto board of Education, "to discriminate against individuals for children to last before they can get a training for commercial life. What good does it do them to pore over arithmetic and all those things just for the sake of examinations."

*World War II*

The Department of Agriculture supplied Halton farmers this year with seed for the experimental growing of hemp. The experiment has been a success.

— Samples between eight and nine feet in height are on exhibition at Oshawa & Oshawa's hard ware store and there were others at the fair here last week. Hemp is grown extensively and successfully in New Zealand and a man who has been there says he never saw any which approached the Halton samples for height, four or five feet being about the limit.

*Antique Auction*

On Saturday afternoon, Mr. and Mrs. J. D. Dunbar and Little son of Kitchener, Ontario were motoring to Toronto, and when they stopped Clarkson they purchased a basket of grapes from one of the stands near Lake Shore. After getting under way again Mr. Dunbar turned around to get a bunch of grapes, holding the wheel with one hand. In doing so he lost control of the car and it left the road and turned turtle, the car pinning him underneath and killing him instantly; his wife and son escaped uninjured.

*Planning Match*

The 27th annual planning match of the Halton Farmers' Association will be held on the farm of Mr. Bob Bush, Lot No. 18, 1st Line, Trailside, on Friday, November 2nd, 1917. Splendid cash prizes are being offered, and it is expected that we will be held by the Association. Besides the cash prizes there will be a number of special prizes in the different classes, also a sweepstakes trophy, valued at \$25 for best plowed ridge in the field to be won twice before becoming the property of the winner.

*Hand of Imperial Veterans Journal*

Mr. E. D. Warren, of Toronto, for many years publisher of the Georgetown Standard Publishing Co. and later manager of the Standard Publishing Co. of Hamilton, is the new editor of the Standard of the Imperial Forces.

— Captain Bert, who will speak in the town hall on Tuesday evening, Oct. 20th, is a valiant man and a good soldier. He is working there under the Y.M.C.A.

It was at Timmins that he gained much recognition of the Y.M.C.A., and he is now a member of the Executive Committee of the Imperial Forces.

Capt. Bert's remarks are ever punctuated with wit and humour.

He does not depend upon stories to lend weight to his talk, but his good humour and wit are the life of his talk.

He tells of how the Y.M.C.A. is making a difference in the lives of the boys in the trenches, and leaves come to the eye as he tells of a boy at the eve of battle.

Whether "Jim" is on a man-of-war or in a trench, he's going to have long-lasting enjoyment and a lot of benefit from

A LITTLE SERMON

It takes an awful heap of things to make a weight to hang life by a thin wire.

It takes a lot of stones and granite blocks, they want ten pairs of books and shoes and a pair of socks, a hat, a coat, a shirt, a tie, a cap, a belt, a serviette, a servant and a cook.

It takes a lot of things to make a weight to hang life by a thin wire.
