WEDNESDAY EVEN'G, NOV. 7th 1917

THE MAPLE

Oh tenderly deepen the woodland glooms,
And merrily leave the hushes;
Breathe delicately the willow blooms,
And the pine releases new speeches;

Man's Money His Own.
A very important decision was given
the Appellate Division at Osgoode Hall
Toronto. Money used by a wife out of
funds provided by the husband to defray
household expenses is held to be the property
of the husband, and a wife has no legal
right in law to claim that half of a joint
bank account is her own.

The Union Cabinet

Canada's New Union Cabinet is composed
as follows:
Sir Robert Borden, prime minister and
external affairs.
Hon. E. W. Rossell, president of the
privy council.

A GOOD BET - A Hundred-to-One Shot
Do you know that never in the past hundred years have the
opportunities offered wage earners been so untold in their favor
and do you further know that it may be another hundred years be-
fore similar conditions prevail?
A hundred years in a long time to wait, so the wise man or
woman will take advantage of the favorable chances while their
reach to make the greatest bet. The only way to do this is by put-
ting aside in the Savings Bank a small portion of to-day's good luck.
Remember this cannot last for ever.
A good chance is in the present. Those who depend upon
future chances are betting against themselves and this is generally
a very bad bet.
