WILL WOMEN wear trousers? That grim question has long been hotly debated. Since the war trousers have become realities to those women who are doing men's work in order that they may be released or fighting. In Paris, however, trousers have more than a strictly utilitarian use. The Paris correspondent of Harper's Bazer writes, in the January issue:"More more trousers are being worn indoors instead of robes that cling and cling and cling. Fashioned of the richest of tissues are these tronser-frocks-tronsers of gor are doing their Bit overseas. geous metallic stoffs below jackets of soft | Pte Arthur Peck, who went to France velvets, trousers of velvet below coats with the 2nd Signal Corps and returned rich with embroideries, and exquisitely filmy mousselines. In the salons of Martha Gauthier in the rue des Capucines Hospital, "Somewhere in France," is evening. Everybody is cordially invited there is a creations of putty-colored velvet now convalescent and expects to return to hear him. The members and adherents embroidered most decoratively with roses to his unit at an early date. embroidered most decoratively with roses and blue thread—the square Chinese coat falling ungirdled over embroidered yelves home that he is well and still going to the church are saked for a special free-will offering of at least one hundred dollars on account of insurance and other troppers of the straight variety. trousers of the straight variety.

France shortly.

Next Sunday morning we will worship in the Baptist Church it being their Anniversary.

Evening Service, subject of the Pastor, "Some unwise things we do"." is to be issued by the Ontario Department of Education. The mannual, for which tenders have been called has been prepared under the direction of Dr. J. W. Wetherell, editor of text books for the Corpl Thos. Roberts, who has been prepared to France shortly.

Pte Wesley Brennan, who was wounded, is still in the Hospital in England and is progressing as well as can be expected. Wethereil, editor of text books for the department. Ever since classes in gardening became a bart of school work, part icularly in the rural districts, there has been a pressing need for such a mannual as that being prepared. Many teachers who have never lived on a farm have found it difficult to instruct the children in agriculture and horticulture. The new mannual will give them carefully prepared data upon all matters embraced a the course. About five million copies will be printed as a starter. Every teachers will be printed as a starter. Every teachers and st least one must be placed in every school library.

DOING IT CHEERFULLY

By Walf Mason

I dig no coin to push the war, and grin in cheering its to the start of the start wiles home and advises the good people of Canada to hold strong as I dig not to the start of the

By Walt Mason

I dig up onto to push the war, and grin in cheerful style, that's what my faithful mug is for—to show a beaming smile We apoll our gifts if we look sour, when handling out the dust, and cave around for half an hour expressing our disgust. The tightwad heaves a heartfelt groan as he brings forth his roll, and says, "I spose I'll give home, but I am in the hole. There are so many caile on me, to help this cause or that, that in another month or three, I shall be busted flat, so here's a dollar you may apand in sinking Gorman boais; I wish this ding dong hand, who ought to blithely shoot, "I'll soak my autos and my land to help our soldlars out!" Solicitors come round to me and say, "We need some scads, to me sold as "I say to sheem," You present day I say to sheem, "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem, "You present day I say I say to sheem," "You present day I say I say to sheem, "You present day I say I say to sheem," "You present day I say I say to sheem," "You present day I say I say to sheem, "You present day I say I say to sheem," "You present day I say I say to sheem, "You prove the say I say I say to sheem, "I say to sheem and say to should strong as the say for the sheat on the flow of the Glen Wollen Mille, received the Lanca-shire Fusellors, was listed as missing. A scolution of the U.S. and the work of the Lanca-shire Fusellors, was listed as missing. A scolution of the U.S. and the sheat and some come along at this, the best of times, for peased to say.
