Correspondence.

Master Claude Bernades who has been collecting for the Halifax School for the Blind has received the following acknowledgment of amounts forwarded:
Master Claude Bernades, Georgetown, Ont.
Dear Claude:—Your letter containing \$16.00 for our fund for the blind was gratefully received. Tell the children of Georgetown, who so kindly contributed towards the fund, that we will be able to give better satisfaction to our customers, both as to quality and price. You will find the "War Quality of Flour" which we now have to make, will not be a serious menace to the makers of good home-made bread. We will supply it in three grades, under the well-known brands, King's Choice, Norval and Best.

We believe that all will fall heartily into with this effort to conserve the wheat supply for the men who are fighting.
We will appreciate an early settlement of all outstanding accounts. It is necessary to save all the bagging. We will pay the highest market value for all flour and food bags you have in good condition. SAVE THE BAGS.

To Our Customers

The price for food stuffs as set by the Food Controller, being based on a cash business, we have decided to adopt the cash system for all our products. We believe this system will be able to give better satisfaction to our customers, both as to quality and price. You will find the "War Quality of Flour" which we now have to make, will not be a serious menace to the makers of good home-made bread. We will supply it in three grades, under the well-known brands, King's Choice, Norval and Best.
