Hardwood Floors

Cost Less Than Carpets

IT IS CHEAPER to lay hardwood floors

in a house than to buy carpets for it.

What's more—the hardwood floors will last a life-time, are

much easier to keep clean and in every respect will return you

dividends of pleasure on your investment.

We sell "Beaver Brand"

Hardwood Flooring

It is thoroughly kiln dried, accurately machined, per-

fectly matched, and guaranteed to last a life-time.

Ask any person who has hardwood floors in his house

whether he would go back to the old softwood floors

and carpets. The answer will convince you that it

pays to buy hardwood floors.
