About thirty or more of the friends of Mr. and Mrs. Ives braved the dense fog and ran on Monday evening to the home of their daughter Mrs. John Newton to bid them good bye on the eve of their departure for the city of Brantford. After an enjoyable programme had been rendered, Mr. (nowly read the following address and Mrs. Thos. Rogerson presented a beautiful electric reading lamp to our parting friends.  
Dear Mr. and Mrs. Ives

Dear Mr. and Mrs. Ives we learned that you were about to leave us a feeling of deepest regret filled the heart of every one in our Missionary Society, you have been a valued member for many years. Your interest in every branch of the missionary work of our church and your gifts of speech and prayer will ever be a happy memory to those who were your associates.  
You Mr. Ives have performed a splendid service in the masters work as elder in our church. You have always been an ever present help in time of trouble to the aged and sick. Many in the village will bear testimony to this fact, although some have departed this life. You both have set up a christian example of living which no doubt has influenced many for good.

While we are conscious of a distinct loss, we realize that you will be a valued acquisition to the church to which you unite for wherever there is work to be done for the Master you will be there faithfully and gladly doing your share. We ask you to accept this small share of the esteem in which you are held in this community and the wishes of good wishes and prayers for your health and happiness in your new home you carry with it. May it ever be a light your way while traveling through the world of books with which you are so well acquainted.

Sign on behalf of Church, Wm. (nowly); Missionary Society, Mrs. Thos. Rogerson; Community, George E. Polkinghorne, Lighthouse, April 1st, 1918.

Mr. and Mrs. Ives very feelingly replied in acceptance of the gift, after which their retirement was served by the ladies. The happy gathering broke up with the singing of "Auld Lang Syne" and "God be with you till we meet again." Mr. G. E. Polkinghorne, occupied the chair very acceptably during the evening.

## Military Service Act

# Important Announcement to All EXEMPTED MEN and to the Public Generally

IN dealing with the very large number of claims for exemption brought forward for consideration in connection with Class 1 under the Military Service Act, it has occurred, as was inevitable, that as a result of false statements and difficulties put in the way of investigation, some individuals have secured exemption whose proper place is in the Army.

It is not the intention of the Government to allow these men to evade permanently their obligation to bear their part in the military defence of the Country and of the ideals for which we are fighting. To do so would defeat the purpose of the Act, and cause grave injustice to men in the second class necessarily called out to fill their places.

### Exemptions Granted on False Grounds

It is, therefore, proposed to scrutinize carefully all exemptions granted to date in order to separate those which have been granted on false or insufficient grounds from those that are well founded.

With this object in view the various Registrars under the Military Service Act have been instructed to issue a series of questionnaires to exempted men. These questionnaires must be filled up correctly and returned promptly under penalty of forfeiture of exemption for failure to do so.

### Exempted Men Who Have Changed Address

It is therefore important in their own interest that all exempted men who have changed their address since their exemption was granted and who have not already notified the Registrar of such change should notify him at once. Under the Regulations it is the duty of exempted men to keep the Registrar advised of any change of address, and failure to receive the questionnaire by reason of neglect of this duty must be treated as equivalent to failure to return the questionnaire after receipt.

### Citizens Urged to Assist

In many instances information has been furnished by members of the public which has led to the cancellation of exemptions obtained by false or misleading statements. Further co-operation of this character is invited. The Government regard it as the duty of all loyal citizens, not only to the Country, but to the men at the front, to assist in this way in securing reinforcements on a just and legal basis. Correspondence of this character will be treated as strictly confidential and will receive the fullest investigation.

CHARLES J. DOHERTY,  
Minister of Justice.

Correspondence should be directed to C. Leslie Wilson, Registrar under the Military Service Act, Toronto, Ont. 402E
