CANADIAN BLACK MINORCA CLUB

A directors' meeting of the above club was held at 42 Blake St., Toronto, on Monday, May 18th, for the purpose of appointing a new secretary-treasurer. Mr. Robt. E. Skirrow, who has been the secretary-treasurer for the past three years, is leaving for overseas at an early date. This necessitated his resigning from the office.

Mr. Geo. C. Cook, 2nd vice-president, occupied the chair at this meeting. After he called the meeting to order he moved that Mr. Jas. Anderson be the new secretary-treasurer. This motion was seconded by Robt. E. Skirrow, and carried.

At the conclusion of the meeting Mr. Geo. C. Cook, on behalf of the club, presented the past secretary-treasurer with a beautiful wrist watch as an appreciation of his work during his three years of office. Mr. Skirrow, in reply, thanked the members most highly for the gift, and wished the club and its officers every success. He expressed his desire to be with the boys, heart and soul if he is spared to return. Everyone wished him a safe and speedy return.

—Bamor persists in claiming Hindenburg dead. If it is so, the shades of those he sent before will welcome him with fondish glee, and then exalt him to the throne of Lucifer. A reborn like Hindenburg's for or only unrefined Hell it self could not equal.

—A meeting of the Summer Series of the Women's Patriotic League will be held in the Esquewaugh Councill Chamber on Wed. June 6th, at 2.30 pm. Mrs. Hunter of Brantford will be the speaker for the afternoon. All women and girls will be welcome.

Replace Your Buggy With a Ford

MORE than 100,000 Fords are owned by people in Canada in preference to the old horse-drawn buggy and other makes of cars.

Your neighbors, and farmers in every section of the Dominion are abandoning their old buggies—selling their driving horses and buying Fords.

Ford cars are utility cars. They are built to endure the strain of constant daily use over rough roads.

These are the tests every farmer gives his car. The Ford meets them in a satisfactory manner. It is the farmer's car, so why not replace your horse and buggy, with a Ford?
