—With regard to the arrangement instituted whereby correspondence of a private and family nature can be forwarded from individuals in Canada to persons in enemy and enemy occupied territory through the medium of Thos. Cook & Son, 680 St. Catherine St. W., Montreal, difficulty is being caused owing to persons remitting the charge for forwarding the letters (35c) by postage stamps instead of by means of a Postal Note for 80c with five cents in postage affixed thereto. The attention of persons sending such correspondence is particularly directed to this as in future where the charges are remitted by means of postage stamps the letters will be returned to the senders. R. M. COULTER, Deputy Postmaster General.

Winnipeg Travellers Get Chance to Study Hinterland

New Ontario's immense forest resources and seat of Provincial Colonization Scheme of Great Interest

The traveller nowadays wants something more than formal rest space; and the well established service of the Canadian Northern to Western Canada affords ample opportunity for this. The immense stands of merchantable timber, the untold wealth in water power, and the great commercial and agricultural possibilities of Northern Ontario should be matters of common knowledge to Canadians. Modern trains of standard and tourist sleepers carry and coaches leave Toronto Union Station at 10.00 p.m. Mondays, Wednesdays and Fridays, connecting at Winnipeg for all points in Western Canada.
