Forethought and Good Judgment Used

Travelers show preference for Scenic Route; Busy Men use Night Trains

Nowadays, forethought, and a lively sense of public appreciation play an important part in the construction of a railroad. The Canadian Northern made a happy choice in the selection of its route between Toronto and Ottawa: skirting the shoreline of Lake Ontario and the Bay of Quinte; over the height of land between Napanee and Sydenham; and through Rideau Lakes region, adds zest to the daytime journey in Spring or Summer. Comfortable day and night trains, stopping at principal intermediate stations, have made the route very popular.

For information, literature, tickets and reservations, apply to D. J. MATTHEW, District, Georgetown, or write General Passenger Department, 65 King Street East, Toronto.
