## Obituary

**Mrs. M. H. Beaumont**  
The community was shocked by the sad news of the death of Alice Bullivant, beloved wife of Matthew H. Beaumont, of Glenwilliams, at Guelph hospital, on Thursday last, June 27th. Deceased was the only daughter of Mr. and Mrs. W. Bullivant and was born in Georgetown 81 years ago. Besides her husband she leaves a family of 5 small children to mourn the loss of a kind and loving mother.

The funeral took place on Saturday afternoon and after service in St. Alban's Church, conducted by Rev. Mr. Burt, the remains were interred in Greenwood Cemetery, Georgetown. The pall-bearers were—Messrs Joseph, Lindley, William and Geo. Beaumont, brother-in-laws; Harold Beaumont, nephew; and Mr. John A. Wheeler.  
The funeral was largely attended and there were many beautiful floral tributes. Much sympathy is extended to the bereaved husband and families.

Among those from out of town who attended the funeral were:—Mrs. W. Sahil, Mr. and Mrs. Orr, Mrs. E. Davis, Toronto; Mrs. W. A. Scott, Brampton.

### High Prices for Holsteins

At the auction sale held in the United States two weeks ago, at which nothing but government tested cows and their get were offered, a bull raised by Mr. Hardy of Brookville, brought the sum of \$106,000, and a three-year-old heifer with a world record of 32 lbs in seven days as a two-year-old, owned by Mr. Shaw, of Newmarket, brought \$12,750. Mr. Shaw also sent a heifer calf from another tested cow, which brought \$2,500, and three yearling heifers, which averaged \$1,500 each.

### His Official Photo

Sheriff Webster was on duty at the sittings of the County Court and General Sessions on the 11th inst., which was his 78th birthday. He went to H. Sherman's gallery and had his portrait taken, in his official costume and holding in his right hand a pair of white kid gloves, as though presenting them to the Judge at a sitting of the Assizes, with no criminal cases on the list for trial. The portrait is a good one. The Sheriff will hang it in his office, to remain there as the property of the county—Champion

### Successful Garden Party

The garden party under the auspices of the Women's Patriotic League, held at the home of Mr. and Mrs. L. E. Fleck, on Monday evening, was a grand success notwithstanding the uncertain weather. The grounds and platform were beautifully decorated for the occasion, and the program was just splendid. Dr. A. W. Nixon M.P.P.; occupied the chair and announced in turn the following artists who all did their part well and delighted the audience:—Mrs. Corlitt, Brampton; Miss Morrison, Miss Grey, Toronto; Miss Betty Lowrie, Ballinafad; Misses K. Barber and J. Levitt; Miss Mildred Fleck; Masters Bert and Jack Thompson. The band, composed of Glenwilliams and Georgetown players under the leadership of Mr. Castell, played numerous selections which were much appreciated. The proceeds were entirely satisfactory.

### Must Carry Documents

Officials of the Military Service Council stated to-day that the registration card was not sufficient for a man of military age. He must carry other documents, as called for under the order of May 22, such as marriage licenses, passports, etc. It has been found very difficult in many cases to provide the necessary documents called for under this order of Council. It has been decided to accept prima facie evidence as to a man's ineligibility or right to exemption if he cannot secure the proper documents.

### Out Down Jury Trials

Notices have been sent out to all county judges asking them to have as few jury cases as possible this summer. This is being done to relieve the farmers, who are generally called to serve on the juries, so that the work of production will not be interrupted. The request applies, of course, only to cases of a nature that may be tried either by a jury or by a judge, as criminal cases would naturally be tried in the ordinary way.

### THE DEVIL RESIGNS

The Devil sat by a lake of fire  
On a pile of sulphur kegs,  
His head was bowed upon his breast,  
His tail between his legs;  
A look of shame was on his face,  
The sparks dripped from his eyes,  
He had sent his resignation  
To the Throne up in the skies.  
"I am down and out," the Devil said,  
He said it with a sob.  
"There are others that outclass me,  
And I want to quit the job.  
Hell ain't in it with the land  
That lies along the Rhine,  
I'm a has-been and a piker,  
And therefore I resign.  
One ammunition maker  
With his bloody shot and shell,  
Knows more about damnation  
Than all theimps of hell.  
Give my job to Kaiser William  
The author of this war,  
He understands it better,  
A million times by far;  
I hate to leave the old home,  
The spot I love so well,  
But I feel that I'm not up to date  
In the art of running hell."

By its NEW ORDER the Food Board does not exact, as many think, that an equal quantity of substitutes must be used with every pound of flour. What it compels is that from July 1 to 15 every person baking for public or private consumption must buy one pound of a substitute for white flour—corn flour, oatmeal, barley, rice, rye, buckwheat, tapioca or potatoes—with every nine pounds of white flour. After July 15 the proportion must be increased to one pound of substitute to every four pounds of wheat flour. There should be no grumbling at this latest order, and we do not apprehend there will be any. People are quite willing to obey a law that effects all alike, and it goes without saying that, with the substitutes we shall after July 1st be obliged to use, we shall have a lavish abundance and the inconvenience that may be occasioned by the change not to be given a thought when we consider the fatigue and sufferings of the brave men who are making it possible for us to enjoy our plenty, our peace and our security. If we have to take in our own belts another notch to accomplish this what sacrifice is that compared to what we might be called upon to endure?

It WILL BE a matter of surprise to many to learn that the farming community owns more autos than any other class in Ontario and it may be a realization of the growing numbers of autos amongst their numbers that is impelling the agriculturists to a more liberal attitude with reference to the improvement of roads in the country.

The occupations of the owners of cars in Ontario is given thus, according to figures of registration:  
Farmers..... 28,409  
Skilled trades..... 10,987  
Merchants, manufacturers etc..... 14,925  
Physicians..... 2,805  
Other professions..... 3,894  
Commercial travellers..... 1,079  
Taxicabs..... 1,662  
Miscellaneous..... 20,950

Licensed drivers..... 8,214  
Increase over 1916 registration 8,890

We are glad to see the farmers leading the list. It is a sign that they are prosperous and progressive for the uses to which an auto may be put are many, as we witnessed the other day when a man from the surrounding country brought a sheep to town in his auto. With the advent of motor transportation much of the monotony and dreariness of country life will disappear, and the educative effect of travel will be no less on the farming community than upon others.
