THE EVIDENCE

As to the thoroughness and practicability of our process, about the first of the month of June of the most progressive business men of the city, called at the College Office for a BOOKKEEPER, we sent him one. On the 22nd a friend of this man needed a Bookkeeper, our trained help was recommended, the two men called at the College, and we sent out another Bookkeeper. This is the way our students are placed.

To meet the demand we need many more students.
