A SOLDIER'S LIFE

A soldier's life is a "regular" life, when you come to figure it out. They move him here, and move him there, and shift him round about. They march him in the wind and rain, and through the winter snow. Yet when they ask him, "Any complaints?" it's no, no, no. He falls in line at breakfast time as soon as he is told. They keep him waiting there an hour, until the coffee's cold. He'll get his "chuck" if he's in luck, but none if he is slow. Yet when they ask him, "Any complaints?" it's no, no, no. He lies in bed at night, and he'll get his "chuck" if he's in luck, but none if he is slow. Yet when they ask him, "Any complaints?" it's no, no, no. He does his duty everywhere. There's not the slightest doubt. And don't forget, he joined to get a chance to fight the foe. So when they ask him, "Any complaints?" it's no, no, no. Pte. 982894 Leo F. Cochlan "A" Co., Canadian Siberian Expeditionary Forces.

Ontario's Proud Record

In Last Loan Drive This Province Raised Nearly Half of the Loan, averaging \$79.03 each. Ontario's large place in the economic position of Canada was never better illustrated than in the last Victory Loan campaign, but, if it is to be maintained, another supreme effort will be needed in the campaign soon to open. Nearly half the total subscriptions in November, 1917, were from Ontario and there has been talk that the same proportion is expected this year. The war spirit and war service of Ontario have been so magnificent that there is little prospect of a disappointment now. This Province has been the centre of munition making, with the liberal distribution of money which that brings, and its agricultural, mining and other industries have been on a most buoyant basis. As a result of the splendid campaign and the generous response of the people, the Province of Ontario raised \$204,186,400, of the \$419,289,000 for the Dominion in the Fourth Loan. This came from 868,000 subscribers, averaging \$79.03 each, out of the 920,035 lenders in all Canada, averaging \$68.18 each. Quebec came second with \$94,287,260 from 126,684 subscribers or \$41.66 each. In Ontario one person in every 7.11 was a subscriber but Manitoba, with one in 7, excelled this record. In the Dominion as a whole, one in every 9.92 people was a subscriber.

PETTIT'S CLOVER HONEY is a wholesome food. It is nature's own sweet. Secure your supply now. 5 and 10 lb. pails. The Pettit Apiculture, Phone 143, Georgetown. 10-247

Pease "Economy" Furnaces
Summer All the Year Round

Why not make your whole house like June, even in below-zero weather? A Pease "Economy" Furnace, properly installed, will do this, and will effect a considerable saving in your fuel bill. These outfits heat the whole house with one fire, and require no more care-taking than to run a stove for one room.

Columbia Grafonola

Which Columbia Will You Buy?

You have decided to buy a Columbia Grafonola for your home. We are glad. It is a decision you are not likely to regret, for among musical families the Columbia Grafonola has always proved the most permanently satisfactory of instruments.

There remains the selection of the right Columbia model for your family. Here, we believe, we can give you one comforting assurance. You will get your full money's worth whatever Columbia you choose.

Every Columbia Grafonola gives you the utmost in volume and quality of tone, in grace and beauty of design, in richness of finish, in skill of workmanship, in convenience and dependability of mechanism. This is as true of the handsome, sweet-toned, portable models as it is of the exquisitely carved, velvet-voiced Period designs.

The way to be sure of selecting the right Grafonola is to hear and see and judge them all. Any Columbia dealer will be glad to have you play any record on any Grafonola, whenever you like and as often as you want. That is the surest way to tell. Tone is a test for the ear, not for the eye. It cannot be argued in type. It must be tested. Go to the nearest Columbia dealer and make this final and conclusive test.

Columbia Grafonolas are priced at \$30 up to \$3000.
