

home, he has never been in good health. Deceased was born at Huron seventy-one years ago last February. Sixty years ago he resided with his parents in the town where he died. On the 27th of October, 1886, he was married to Rachel Kenney, daughter of the late ex-Councillor John Kenney, and sister of W. R. Kenney and Thomas John Kenney, Jr. Three children were born to them, Ethel, John, and Laura. Eleven years ago John met his death while working in the bush with his father, when a falling limb struck him. The loss of his only son was a great sorrow, from which the father never recovered. Mr. Sprowl was one of the community's most prosperous farmers. His fine farm homestead, well tillaged fields, and perfectly good crops were always ready for the market. He was a member and generous supporter of Knox Church, and a member of the Board of Managers. His somewhat sudden death was a surprise to all who knew him. He was buried at the cemetery on Monday, December 19th, at 10 o'clock. The funeral was held at the bereaved family.

And Now Again comes Christmas
The Gift Useful
AGAIN we are faced with the importance of confining our Christmas giving to gifts that are practical. Again we must exhibit true economy in our choice of presents for father, mother, sister and brother. You should realize that the place to obtain this kind of gift is in a hardware store—for in our business nothing is placed in stock that is not a truly needed article. In this Hardware Shop you will find everything necessary from which to make your wise selection for the entire family.
To Make Some Woman Happy
Note these Helpful Suggestions:
As an instance of what we mean by "The Gift Useful" we would like you to consider the O-Cedar Polish Mop. For any woman who has a one or whose Mop is worn out, we can think of no more truly sensible gift than one of these splendid Mops. Such a Mop is an almost indispensable aid to good housekeeping. Give an O-Cedar Mop and she will appreciate your thoughtfulness—she will think far more of such a present than of any of the useless "trumpery" too many others will give her.
Note the two styles in Panel No. 1—either of these Mops at \$1.50.
