 NO ALL-ROUND DEEP in this time has occurred, but merchants are taking advantage of the Christmas season, and some acceptable changes can be seen in the quotations. The advertisements are consequently well worth reading and time spent in their perusal is likely to be profitable. A merchant's advertisement is an invitation to deal with him and a public acknowledgment that he considers your business worth asking for. Anything worth going after is always more appreciated than something which comes without an effort, and the advertising merchant is the merchant that recognizes the fact that your trade is worth asking for. Therefore read the advertisements.

 Pte Edward Eason arrived home last night from the war and was given a reception by friends and neighbors at his home on Main St. north. We are all delighted to welcome Pte Eason back, again. A general big reception will be tendered all the boys who return at a date being arranged by a local committee.
 Corp. Percy Harding, son of Mr. and Mrs. Wm. Harding, Norval Station, writes home under date of November 12th, as follows: "After two years of hard fighting I am glad it is over now. I was in that awful town of Verdun in France but was not seriously hurt, only my shoulder put out of place a little. I have had enough war and hope soon to be home with you all again."
 Cadet J. C. Best, of the Armaments School, Hamilton, visited with his aunt, Mrs. Annie Best, during the past week prior to leaving for his home in the West.

"War Halton"
 Steamer in honor of County of Halton Victory Loan Results.
 In view of the fact that the County of Halton raised the highest percentage in the Province of Ontario and was fourth highest, both on the team members and combined, in the Province of Ontario, the Victory Loan Executive, Toronto, made special application to the Imperial Munitions Board to have one of the large ocean steamers now under construction named after the County, and reply has been received to the effect that the application had been recommended and forwarded to England for confirmation. The application will undoubtedly be confirmed, and the steamer will be christened "War Halton". It will remain for years to come emblematic of the wonderful patriotic work done by the County.
 Credit is indeed due to Donald Robertson, County Chairman, and to Judge Tompkins, Vice-Chairman, and to all the local executives for the untiring work that they devoted to the campaign.

Extending the School Term
 To enable schools to make up the loss of time occasioned by the epidemic, Hon. Dr. H. J. Cudy, Provincial Minister of Education, has decided to circulate school boards, inspectors and teachers, to the effect that it will not be necessary to hold any of the department examinations in June next, so that the second term of the school year will be longer than it has been for several years.
 The Minister said he believed that with this provision and with the provisions made in the regulations for the conduct of these examinations, the ill effects upon the school work of the interruption that has occurred may be reasonably well overcome. Dr. Cudy added that as Easter next year will be nearly three weeks later than it was this year, it will be necessary to amend the term regulations to provide that the department examination may be held in the week following the Easter holidays. It was felt that the Department should not postpone upon the holidays of the pupils if it can be avoided.
 MINISTERS EXAMS. DEPARTMENTS
 In view of the unavoidable interruptions of school work which have taken place during the current half year, the holding of the mid-summer examinations will be deferred in each case for a fortnight in accordance with the following schedule:
 Junior High School Entrance, July 2nd.
 Junior Public School Graduation, June 30th.
 Lower School, July 2nd.
 Middle School, July 11th.
 Upper School, July 2nd.
 Upper School and Honor Matriculation, June 30th.

 Chairman Victory Loan Com.
 Georgetown, Ont.
 Dear Sir:—We have been informed by Major J. A. Gairdner, the organizer for your County, of the very important part you and your Local Committee took in the recent Victory Loan Campaign in your County. Will you please accept the thanks and appreciation of the Ontario Executive Committee for the valuable part you and your committee voluntarily rendered to the Local Committee.
 It was the splendid co-operation of public-spirited men like yourselves which made the wonderful success of the campaign in the Province and for that matter throughout the Dominion possible. Again thanking you,
 Yours very truly,
 G. H. Wood,
 Chairman.

Toronto, Dec. 7, 1918.
 Dear Mr. Fleck, Esq.,
 Chairman of the Ontario Victory Loan Executive has advised me that the application which the Ontario Executive forwarded to the Imperial Munitions Board to have a steamer named after the County of Halton in honor of their having obtained the highest percentage of Special Subscription, objective in that territory, has been recommended by them and forwarded to England for confirmation. There is no doubt whatever but what the application will be granted and the steamer "War Halton" will shortly be launched.
 I know that this information will be very gratifying to you and all the members of the Committee in Georgetown, who devoted such untiring work to the Victory Loan Campaign in your district.
 I have not time to write all the other members of your Committee just at present, but I would appreciate if you would convey the above information to them along with my best regards.
 Sincerely yours,
 J. A. Gairdner,
 County Organizer.
