 Mr. R. D. Warren of Toronto was in town Monday.
 Mrs. Graham of Toronto was a visitor in town over Sunday.
 Mr. and Mrs. James Luckie spent New Years with Toronto friends.
 Mr. and Mrs. Louis Britton, of London, were holiday visitors in town.
 Mrs. O. T. McKay has been visiting friends in Owen Sound during the week.
 Mrs. Little and Mr. W. Little of Stewarttown attended the funeral of Mrs. Little's brother, the late Wm. Smith of Brampton last week.
 One of the best of friends, Misses, have been under way for some time and are nearing completion whereby the women and children, wives and families of soldiers returning from England will be cared for from the time of their arrival in Canada until they reach their homes by the Pacific coast. The women and children will be treated at the points of Montreal, Halifax and St. John's by the organizations here, which have been doing similar work since women and children first started to return to Canada. Hostels will be established in the larger cities, where the women and children will be accommodated and provided with meals and beds. Their friends then can meet them either at the train or hotels. There are about 84,000 women and children to return to Canada.

Obituary
WILLIAM SMITH
 A man well known and respected in the County of Peel, passed away last Thursday morning in the person of William Smith. He had been in failing health for a number of years, but until a few weeks ago was not confined to the house. Born in the township of Chinguacousy, he spent the greater part of his life here, giving up farming about thirty years ago, he came to Brampton, where he has since resided. He is survived by his widow, but leaves no children. The deceased is the last of a large family of men prominent in the County of Peel, the late John Smith, ex-M.P.P., being the most widely known. He was 88 years of age, and was for many years a member of the Protestant Episcopal Church and a supporter of the liberal party.

Obituary
JAMES H. NIXON
 By the death of Mr. James Holmes Nixon who passed away at his son's residence Milton, December 27th, the community of Ashgrove has lost a most respected and active citizen. About a year ago he became subject to influenza, rheumatism, but was not confined to the house until October, when his son Dr. E. E. Nixon returned to the house after a few days illness of influenza, suddenly died. It is believed that the Dr.'s untimely death had greatly to do with hastening the end of Mr. Nixon's days. Being of a quiet, impassive temperament, and having passed the allotted years of three score and ten, he had not strength to endure both the physical pain and his unexpressed grief. It may be truly said that he went down to his grave mourning for his son. The late Mr. Nixon was born on the ninth line Esquimaux 1842, and came to Ashgrove about 1870. He was 76 years old and bought part of the which three years ago, Esquimaux. His wife Ann five years ago. Late in the year 1914 the late Mr. Nixon died in the same year as his mother, and Dr. James Richard three months since. The remaining members of the family are Mrs. David Smith, Gladstone Man. Mungo E. Milton, J. Fred, Mid-dletown Conn., William, Milton,

 The Union Sunday School Entertainment originally advertised for last Monday evening will be held this Friday evening, January 10th. As there is no expense in connection with this entertainment the Returned Soldiers Fund should benefit greatly. There is a committee here for a large system of these are in the village will be as well lighted as any place of similar size in the county.
 The results of Monday's election show in no uncertain way what the voters of this ward think of the treatment they have received in the past. We are hoping for better things during the present year.
 The campaign to raise money for the Returned Soldiers Fund is going along smoothly. Canvassers are now going through the village and are meeting with good success. A number of concerts are being arranged, particulars and dates of which will be given later.

Encourage Cattle Raisers
 Believing that the world market for live stock of all kinds will continue strong for two or three years at least, the Ontario Department of Agriculture purposes to continue its campaign urging Ontario farmers to raise stock as much as possible, particularly hogs. Mr. Creelman, Commissioner of Agriculture, stated recently that no steps had yet been taken to encourage the planting of wheat in large quantities next spring. The fact that the Federal Government has not yet declared its policy in regard to a continuance of a fixed or guaranteed price for wheat is causing a good deal of uncertainty and until some decision is made the course of the Ontario department will not be clear. The campaign to encourage the planting of spring wheat in Ontario received great impetus from the splendid crops secured last fall, and if Ontario farmers were assured of a profitable price for their wheat next fall there would be heavy planting in the spring. Fortunately it will not be necessary for us to go outside the province for spring wheat seed as we had to last spring," said the commissioner. The last crop gave us ample seed to meet all requirements.
