MOTORISTS OF GEORGETOWN January 1st, 1919 .- Carried. and vicinity who act as if they thought traffic laws were made for Dale that the following accounts everybody but themselves, would be paid:do well to pay heed to the sentence Guelph General Hospital of two years in the Ontario Reformatory meted out recently by Mr. Justice Biddell on a Toronto motorist, convicted of criminal negligence in causing the death of J. W. Kennedy, Rink acc't a lady whom he had knocked down and killed. It is a marvel there has not been a serious accident in Georgetown before this, for some motorists disregard everything and everyone except their own pleasure. They act as if they thought pedestrians had no right on the Hydro Electric System, streets. The result of careless and reckless driving is that public opinion has become aroused and demands punishment for everyone who kills another with his auto.

THE CANADIAN PROHIBITION sit uation is interesting. Eight provinces have enacted prohibitory laws to the full extent, of their constitutional powers, and these laws are now in operation.
