Died

STEWART—In Milton, on Wednesday, April 2nd, 1919, Margaret Laidlaw, widow of the late John Stewart.

In Memoriam

COWAN—In loving memory of Pte. James Cowan, 58th Batt., who made the supreme sacrifice on April 10th, 1916, in Belgium.

One of the best whom God could lend,
A dutiful husband, a faithful friend,
A loving daddy, true and kind,
A beautiful memory left behind.

Wife

DOBBIE—In loving memory of our dear little grandson Orville, who departed this life April 8th, 1916.

God has taken home our Orville,
Placed our bud among his flowers.
Taken home the one he gave us
To a better world than ours.
Though short on earth was his little stay
Still we will not repine,
Since Jesus in His bosom wears
The flower that once was ours.

Sadly missed by
Grandma and Grandpa Batchelor.

DOBBIE—In loving memory of our dear little son and brother, Orville Ross Dobbie, who departed this life April 8th, 1916, age 4 years and 7 months.

A few short fleeting years had passed
Life seemed but well begun,
But He alone, who knoweth all,
Saw that the race was run.
The years will come and springs sweet flowers
May bloom on hill and plain,
Yet never to this world of ours
Will Orville return again.
We watched his breathing through the night,
His breathing soft and low,
As in his breast the wave of life
Kept ebbing to and fro,
But when the morn came, dim and sad
And chilled with early snows,
His quiet eyelids closed—he had
Another morn than ours.
Three years have passed since that sad day
God called the one we loved away.
Forget him—No, we never will.
As years roll on we love him still,
Never a day but his name is spoken,
Never an hour but he is in our thoughts.
A link in our family chain is broken,
He has gone from our home, but not from our hearts,
Safe in the arms of Jesus.

Sadly missed by
Father, Mother and Brother.

The Georgetown Herald

Wednesday Ev'g., April 9th, 1919

DAYLIGHT SAVING time has been up in the Senate, and just to show that they are not as sleepy as they look the inhabitants of the Red Chamber are said to favor it. Wonder how many of them ever get up by daylight, or before nine o'clock?

THE IMMIGRATION to Canada through the immigration ports of Windsor and Walkerville for March more than doubled the number for the preceding month, 893 admissions being granted, as compared with 256 in February. Rejections for March also nearly doubled those of the month before, there being 298 persons refused admission to the country. According to Inspector Adams, in charge, the majority of those admitted stated their intention of going to the Canadian West to engage in farming.

THERE IS no doubt but that a large per cent. of the degradation, disgrace, ruin and crime among the young, springs from the habit of night prowling, corner loafing and kindred acts by both sexes in city, town and hamlet all over this broad country. Any person who keeps his or her eyes open knows this. Hundreds of boys and girls are out at night and we all know that many influences for evil and few for good surround them continually. A curfew restriction may be derided as old fashioned and puritanical, but the fact remains that there is vastly less night prowling in towns that have a curfew ordinance and enforce it.

AS CENTRE of the province, the annual police report of Toronto is an illuminating document on the status of public morals. There is a notable increase in all sorts of theft and other crimes. This includes 1,106 autos stolen—a comparatively new industry in the predatory world—and the substantial sum of $209,102 was collected for breaches of the Ontario Temperance Act. Defaulting husbands were very unwillingly forced to pay $18,425 to their dependents, and no comfort is obtainable from a decrease in houses of ill-fame of various sorts. Altogether, it is not a consoling document from a moral viewpoint. On the contrary it indicates much uphill work yet ahead for those laboring on behalf of fallen humanity.

FOR SOME TIME past a systematic attempt to induce the people of the province of Ontario to use oleomargarine as a substitute for butter has been pushed forward by the Retail Merchants' Association of Canada, who have, according to the statement of an official to the press yesterday, sent out 10,000 circulars with postcard to which a two-cent postage stamp is affixed for reply to all the grocers and butchers in Ontario. Up to the present, it is stated, replies have been received from over 50 per cent. stating that the sale of oleomargarine should be permitted and the manufacture of the product continued. About 50 merchants replied refusing to handle the product. The price of butter, for some unexplained reason, has been steadily advancing with a notification by many grocers to their customers that it will reach a dollar a pound.

Town Council

Council met at 7.30 on Monday evening with Reeve Grant in the chair and members Bradley, Cook and Dale present.

The minutes of the previous meeting were read and confirmed.

A communication was read from Mrs. A. M. Adams thanking the Reeve and Council for their kindness expressed in the floral offering sent in remembrance of the late Alexander McDonald.

Communications were also read from J. W. Kennedy asking for an increase in salary as treasurer; the Imperial Oil Co., Limited; the Suor Oil Products Corporation; and the Department of Game and Fisheries, Toronto.

Messrs. John Ballantine and W. Long asked for the privilege of building a sidewalk in front of their houses on Union Street.

Messrs. Thompson, Herbert and Watson, addressed the Council re getting water service and fire protection on Maple Ave.

Mr. J. Lane addressed the Council re overflowing of water at the corner of Main and Wesleyan Sts., asking that something be done to better conditions there.

A discussion took place on Main Street pavement and on an increased supply of water for the corporation.

A deputation waited on the Council asking for a grant of two thousand dollars, to buy watches for the returned soldiers. Addresses were delivered by Messrs. Willoughby, Dayfoot, Moore, Heartwell and Kennedy.

Major Brown addressed the Council in reference to the G.W.V.A. buying a club house.

Moved by Bradley, seconded by Dale, that the request of John Ballantine, that he be permitted to lay a cement walk four feet in width, on the west side of Union Street, the measurements and workmanship to be approved by the Streets and Walks Committee, be granted.—Carried.

Moved by Bradley, seconded by Dale, that the Council now adjourn to meet Tuesday evening, April 8th, at 7.30 p.m.—Carried.

At the adjourned meeting held on Monday evening, to consider the request of the Citizens' Committee re purchase of watches, the following resolution was passed:—

Moved by LeRoy Dale, seconded by W. F. Bradley, that this Council, owing to the legal and financial aspects of the situation, feel that they cannot respond to the wishes of the Committee to raise $2000 to procure watches for the returned soldiers by direct taxation. This Council also feels that any gift or subscription given by the people should be of their own free will and volition. This Council also feels that the subscription for the watches and memorial should be raised seperate and distinct from the club house, and feel that they do not in any way want to interfere with the purchase of a club house by the G.W.V.A., and would recommend to the Committee, that if the G.W.V.A. feel there is an urgent necessity for collecting for their club house, that the Committee defer raising the money by public subscription for the watches to be given to the returned soldiers and for a memorial to be erected in honor of those who have fallen, until such further time as they may deem expedient.

Carried unanimously.

L. Grant, Reeve.

Dated April 9th, 1919.

Obituary

MRS. GRAHAM

The death occurred on Saturday, April 5th, of Margaret Huston, widow of the late Joseph Graham, at her home, Centre Road, Derry West, Toronto Township, in her 75th year. Her husband was the son of one of the pioneers of Derry West. Deceased was of Irish parentage and settled with her parents in Esquesing Township. Her eldest brother was burned to death in a fire which destroyed the log house in which the family then resided. Her husband predeceased her in 1907. Mrs. Graham is survived by three sons.

MRS. M. STEWART

Margaret Laidlaw, widow of the late John Stewart, died Wednesday morning at her home in Milton, after a few week's illness. She was a daughter of the late Walter Laidlaw, of Esquesing. She and her husband removed from that township to Milton about twenty-five years ago. There are no children, but Mrs. Stewart is survived by two brothers, Wm. Laidlaw, K.C., and Robert Laidlaw, Toronto. Mrs. Stewart was a member of Knox Church. The funeral took place Friday at 2 p.m., from the residence to Evergreen Cemetery.—Champion.

JESSIE MACDONALD

In the death of Miss Jessie MacDonald on Wednesday of last week one of our best homes is sorely bereft, and Acton loses one of its brightest and most popular young ladies. After spending some time as bookkeeper in the office of Mr. Neil Patterson, Miss MacDonald decided to make nursing her life-work. She was admitted to the training school for nurses at the General Hospital, Guelph, and for a year and eight months continued in that institution with much success. About a year ago she was taken ill and, although the best medical treatment and nursing were given, she gradually declined in health, and last Wednesday passed peacefully away. She was a daughter of the late Peter MacDonald and her birthplace was on the farm recently purchased from her uncle, Alex. MacDonald, by Charles E. Bailey. An evidence of the love in which she was held by the young people of the community is the fact that during the year of her illness her room was never without floral offerings. The funeral was held last Friday afternoon, her pastor, Rev. J. C. Wilson, B.A., officiating. During the service quartettes were sung by Messrs. H. Wildgust, James Smith, Thomas McClure and Alex. Mann, in compliance with a request made by deceased when she realized her recovery was doubtful. The pallbearers were Messrs. William Patterson, James Mann, John Mann, Hubert Mann, A. D. Mann, and William McGregor. The floral tributes were numerous and beautiful.

THERE ARE VERY few "House for Rent" signs to be seen in our town. That is a proof of growth and prosperity, but also an indication that more homes ought to be provided for the people who would move here, if houses could be rented. A number of cozy and attractive houses that can be rented at a reasonable figure is what we need.

EVERY MAN is a part of his town. The town embraces the fortunes, and in some measures at least takes on the character of the man. So loyalty to one's town is no more than loyalty to one's self, and this loyalty is in the line of all well shaped human nature. Therefore it is right to say that the man who does not stand up for his town is in some way dwarfed. There is something wrong about him. His follows will pass this judgement upon him, and the chances are that while he may add to the discomfort of others he will not escape making himself unhappy.
