Children's Home

The Children's Aid Society of Halton County is most desirous of securing the co-operation of the citizens of this community in their efforts to establish a home for neglected children of Peel and Halton Counties. A very suitable site has been purchased at Milton, and funds are urgently needed to furnish this home. Think of it, 104 children needing care. The children of to-day are the citizens of to-morrow. Surely it is worthy of our best efforts to do our share in helping these little ones.

Our Neglected Children

Mr. Norton, of the Halton County Children's Aid Society, addressed a fairly well attended meeting in the town hall on Sunday evening. The splendid address was illustrated by lantern slides which proved very conclusively the great need for such a society and the demands made upon it. Mr. Norton's whole heart is in the work, and he is deserving of the most hearty support, financially and otherwise of every citizen, in his effort as representative of the society to care for the neglected children of the two counties.

Provincial County Road

Representatives from this district who waited on Mr. MacLean, Deputy Minister of Public Works regarding the Provincial County Road at Toronto last week were: Reeve Grant, Georgetown; Reeve Standish and Deputy Reeve Elliott, Esqueping; Councillor Wm. Bradley, L. E. Fleck, Wm. Cleave and J. A. Willoughby. The proposed road will connect the Toronto-Hamilton highway with the Orangeville-Fergus road and will pass through Esqueping by way of the 7th line. The deputations received every encouragement and we believe the road will be built.

Address and Presentation

A very pleasant time was spent last Saturday afternoon when the members of the B.O.P. class of the Presbyterian Sunday School met at the home of one of the members Miss Alice Creelman. The gathering was called for the purpose of presenting their former teacher Mrs. F. Ruddell, (nee Miss Jennie Moore) with a silver and pyrex casserole and pie dish as a slight token of their appreciation and esteem. An address was read by Miss Sybil Fisher while Misses Mary Lawson and Margaret McKay made the presentation. Mrs. Ruddell who had been teacher of this class since its organization, very feelingly thanked the members for their kind words and beautiful gift.

He was met at the Radial Station and addressed of welcome were delivered by Reeve Grant and Rev. Dr. Cline. Mr. F. J. Barber replied on behalf of his son and thanked the citizens for their kind words and hearty reception.
