The Great Question
 The great question that the electors of Ontario will have to settle in the proposed plebiscite is taken by the Provincial Government, is that of the retention or repeal of the Ontario Temperance Act. That is the first question to be asked on the ballot and every elector, male or female, is expected to answer. In settling the point it will save confusion to remember that the Ontario Temperance Act permits householders to import liquor of all kinds in bottles for private use in their homes. This privilege, which is suspended for the present by a Federal law, will be renewed if the Ontario Temperance Act is sustained in the referendum and if the Federal law is repealed. If the electors vote "No" to the question of repealing the Temperance Act which has now been in effect for some years, things will continue as they were until the Federal law prevented importing liquor. If the electors vote in favor of repeal Ontario would then lapse back to the old license law system that has been so effectively wiped out by the prohibitory methods. In addition to this seeking to ascertain the views of the people the government seeks to learn if, providing the present Act is sustained, there shall be changes made in the direction of the government taking over the sale of all spirits and malt liquor or in the sale of light beer in standard hotels. The former would be a move to ensure liquor of better quality, the distribution of which could be regulated and closely checked.

Obituary
PEARL FORSTER
 The home of Mr. and Mrs. B. J. Forster was sadly bereaved on Saturday morning last when their second daughter Pearl passed away after only a few hours illness. Deceased was but 18 years of age and possessed a bright sunny disposition which made her beloved by a host of friends and acquaintances who very deeply mourn her early demise. The funeral took place to Greenwood cemetery on Sunday afternoon, the service being conducted by Rev. Mr. Trueblood, and Mr. A. G. Green, Supt. Methodist Sunday School, in the absence of Rev. Mr. Truitt. The members of the Sunday School of which deceased was a member, attended in a body. The pall-bearers were: Messrs E. B. Graham, R. Snyder, E. A. Cummings, N. Snyder, Oliver Cummings and deceased's brother Donald.

Temperance Questions for Ontario Electors

When the temperance referendum is submitted to the electors of Ontario next September—the exact date is yet to be announced—every voter will be handed four questions, on all of which he must vote "yes" or "no," or have his ballot spoiled. Those four questions as given to the Legislature by Premier Hearst in a full statement of the Government's temperance proposals, are as follows:—

1—Are you in favor of the repeal of the Ontario Temperance Act?
 2—Are you in favor of the sale of light beer, containing not more than 2 1/2 per cent. alcohol by volume, through Government agencies and amendments to the Ontario Temperance Act to permit such sale?

3—Are you in favor of the sale of light beer containing not more than 2 1/2 per cent. alcohol by volume in standard hotels in local municipalities that by a majority vote favor such sale and amendments to the Ontario Temperance Act to permit such sale?

4—Are you in favor of the sale of spirituous and malt liquors through Government agencies and amendments to the Ontario Temperance Act to permit such sale?

5—Mahogany and black boots at Roney's from now until the first of May at from \$4 to \$6.50. Call and see them. Girls' school, from \$1.50 to \$1.95, silk the best, last. Repairing as usual. Roney, the Gold Boot.

Facts Regarding the Club House
 Objects in purchasing—
 I To provide a suitable meeting place for the G.W.V.A. to hold their business meetings.
 II To provide a place where members of the G.W.V.A., and all men in Georgetown and vicinity, who are not eligible for membership in the Association, can go for healthful and harmless recreation. Any Women's organization will have all the privileges, and when desirable, exclusive use of the house and grounds for any such purpose as meetings, tea, lawn socials, etc.

III To provide a night's lodging, bath, etc., to any returned soldier who may be passing through Georgetown, and who may be in adverse circumstances.
 IV To provide Georgetown with a real asset in the form of a Club-house and grounds which will be a credit to the town. It is the intention of the G.W.V.A., to make the house and grounds as attractive as possible, and a real beauty spot in Georgetown.

V To provide a home for a crippled soldier and his wife, who will have quarters in the Club-house, act as caretakers, and keep it open for citizens at all times during the day and evenings.

Management and Maintenance
 There is no doubt about the Club-house being maintained after it is opened, without calling on the Town Council or citizens for further funds. The annual fees of members of the G.W.V.A. and other members, together with the proceeds from an annual garden party, entertainments, etc., would maintain ample funds for the maintenance of the Club. The G.W.V.A. would welcome the appointment of Trustees by the citizens to oversee the management etc., of the Club.

The Association is willing to enter into a written agreement with the town, providing for the return of the Club-house and grounds to the citizens, when the Club-house cannot be maintained without assistance from the town; or the Association is willing that the town should own the Club-house from the beginning, and give the G.W.V.A. a lease of it for a term of years, (the Association to maintain it).

Welcomed Home

There was a large gathering at the station on Friday evening to welcome home Sgt. Charles Ruddy, another soldier hero just returned from overseas. Reeve Grant in a few well chosen words extended a warm and hearty welcome to the town on behalf of the town.
