CALVARY

When the Christ, my Lord, hung
dying
Dying on the shameful tree
Me in all their madness mocked
Him
Yet no word at all said He,
But when at His side a sinner
Hanging there in shame to die
Pleading sought His loving favor,
Swiftly came His glad reply,
"Why, then, dost thou grieve me,
Kingdom
Lord, he cried, remember me,
"Aye, today, with Me in glory
Jesus answered "thou shalt be."
Was not this most wondrous pity,
So to bless a dying sinner,
In a word, His own deep anguish,
"Thou shalt be with Me in glory."
Still He hears the needy pleading.
Still He hears when sinners
Answer every plea in mercy.
Send no soul unblessed away.
Gaily, weedy, sin-stained, laden,
Fear not how on His to call
"Thou shalt be with Me in glory."
Freely He'll forgive them all.
Tell it in the highest heaven,
Tell it in the depths below,
Tell it to the lost and outcast,
Tell it to the haunts of woe:
To the very chief of sinners,
Let the blessed tidings go,
He who asks to be forgiven,
Shall the Saviour's mercy know.

—A progressive Enoch under
the auspices of the Ladies' Bow-
ling Club will be held in the Town
Hall, on Thursday evening, April
24th. Tickets on sale at Matthey's
Drug Store, or may be had from
members of the Club.

Facts Regarding the Club House

Objects in purchasing—
I To provide a suitable meeting place for the G.W.V.A. to
hold their business meetings.
II To provide a place where members of the G.W.V.A., and
all men in Georgetown and vicinity, who are not eligible for mem-
bership in the Association, can go for healthful and harmless re-
creation. Women's organization will have all the privileges,
and when desirable, exclusive use of the house and grounds for
any such purpose as meetings, teas, lawn socials, etc.
III To provide a night's lodging, bath, etc., to any returned
soldier who may be passing through Georgetown, and who may be
in adverse circumstances.
IV To provide Georgetown with a real asset in the form of a
Club-house and grounds which will be a credit to the town. It is
the intention of the G.W.V.A., to make the house and grounds as
attractive as possible, and a real beauty spot in Georgetown.
V To provide a home for a crippled soldier and his wife, who
will have quarters in the Club-house, act as caretakers, and keep it
open for citizens at all times during the day and evenings.

Management and Maintenance

There is no doubt about the Club-house being maintained after
it is opened, without calling on the Town Council or citizens for
further funds. The annual fees of members of the G.W.V.A. and
other members, together with the proceeds from an annual garden
party, entertainments, etc., would maintain ample funds for the
maintenance of the Club. The G.W.V.A. would welcome the ap-
pointment of trustees by the citizens to oversee the management
etc., of the Club.
The Association is willing to enter into a written agreement
with the town, providing for the return of the Club-house and
grounds to the citizens, when the time arrives that the Club-
house cannot be maintained without assistance from the town, or
the Association is willing that the town should own the Club-house
from the beginning, and give the G.W.V.A. a lease of it for a term
of years, (the Association to maintain it).

How the Town Council stands on the Matter

The G.W.V.A. appreciates very much the kindly feeling shown
toward them by the Council. The G.W.V.A. project has its sup-
port, and individually and collectively it has given the G.W.V.A.
every consideration, and the Association feels that the Council in
passing the following resolution, helped considerably to insure the
success of the campaign next week.
Moved by LeRoy Dale, seconded by W. F. Bradley, that this
Council, owing to the legal and financial aspects of the situation,
feel that they cannot respond to the wishes of the Committee to
raise \$2,000 to procure watches for the returned soldiers by direct
taxation. This Council also feels that any gift or subscription
given by the people should be of their own free will and volition.
This Council also feels that the subscriptions for the watches and
memorial should be raised separate and distinct from the club
house, and feel that they do not in any way want to interfere with
the purchase of a club house by the G.W.V.A. and would recom-
mend to the Committee, that if the G.W.V.A. feel there is an ur-
gent necessity for collecting for their club house, that the Commit-
tee defer raising the money by public subscription for the watches
to be given to the returned soldiers, and for a memorial to be erec-
ted in honor of those who have fallen, until such further time as
they may deem expedient. Carried unanimously. L. Grant,
Reeve. Dated April 8th, 1919.

**Aims and Objects of the
G. W. V. A.**

I To perpetuate the close and kindly ties of mutual service in
the great war, the recollections and associations of that experience
and to maintain proper standards of dignity and honor between
all returned soldiers.
II To preserve the memory and records of those who suffer-
ed and died for the nation, to see to the erection of monuments to
their valor, the provision of suitable burial places, and the estab-
lishment of an annual memorial day.
III To insure that proper provisions are made for due care of
the sick, wounded, and needy among those who have served, in-
cluding reasonable pensions, employment for such as are capable,
medical care, and equitable provision for dependent families of
the fallen.
IV To constantly inculcate loyalty to Canada and the Em-
pire and unstinted service in their interests.

Accomplishments of the G. W. V. A.

The G.W.V.A. has been responsible for obtaining more than
Two Million Dollars in settlement of claims advanced on
account of widows, orphans, soldiers' dependants and Veterans of
the Great War.
It led in the agitation which resulted in the M.S.A. and was
largely responsible for the increase in Pensions, Separation Allow-
ance, Post Discharge Pay and War Bonus, the extension of Yout-
hful Training facilities and improvement in the treatment given
Comrades returned to Canada.
No organization had more to do with the Ontario and Domi-
nion Government setting aside Twenty-seven Million Dollars for
Town Planning and Housing during the period of Reconstruction.
The problems of returned soldiers and the dependants of
those who will not come back can be adjusted by the
G.W.V.A. with greater satisfaction than is possible through any
other organization in the Dominion of Canada.

Why Good Roads?

Good roads mean higher land
values.
Good roads bring higher rental
incomes.
Land owners should lead the
road improvement crusade. Good
roads mean more dollars in their
pockets, and more pleasure for
their families.
Hauling costs are lowered by
good roads because the size of the
load is limited by the worst spot
in the road.
Good roads mean social improve-
ment. No man health unto him-
self alone, but bad roads tend to
ward rural isolation.
We can live both ways. Why
not enjoy the chance to go where
we please? The motor car, and
good roads, make all distances short.
Town pleasures and country
pleasures are only a stone's throw
apart if joined by good roads.
The country boys and girls are
less likely to leave the farm if
good roads bring neighbors nearer.
Bad roads are a detriment to
the farmer, but they are worse for
the farmer's wife.
Well kept roads mean better
rural schools. Our country boys
and girls are entitled to as good
school facilities as our town child-
ren enjoy.
The doctor has a better chance
to save lives if good roads shorten
the distance from office to farm.
Profit, pleasure, and public spir-
it demand improvement of the
roads. A country worth fighting
for is worthy of good roads such
as our boys have seen over in
France. We want 85¢ day roads.

Appalling Conditions

The report from Mr. Norton, su-
perintendent of the Children's Aid
Society, reveals appalling condi-
tions of degradation in all parts of
the county. The society is very
grateful for the interest shown by
the people when approached to
help relieve this condition. Volun-
tary contributions have been offer-
ed from different places, which are
very much appreciated. Several
organizations have expressed a de-
sire to help, for which the society
is indeed grateful.
Sentence Suspended
On Sunday, 26th, March, Mr.
and Mrs. Ellery Brownridge of
Esquewaux, went to church, leaving
two youths, Joseph Klein, aged 15,
and Henry Sheen, 19, from the Stratford
Boy's Home. One of the youths
was employed on the farm. The
other was there looking for work.
Mr. Brownridge left on a shelf a
wallet containing \$140, each and
notes and coins which made the
total over \$500. On his return
the wallet was missing and the
boys denied knowledge of it, but
on the arrival of Constable Cham-
pman they owned up. They had
divided the money. One had hid-
den \$70 in a manure heap and the
other had cached his share in the
granary. The wallet, which had
been hidden in another place, was
given up too. Next day, before
Police Magistrate Dico, the boys
pleaded guilty and were remanded
for a week for enquiries into their
histories. Favorable reports were
received from both the homes.
Last Monday the boys were up
for sentence and Crown Attorney
Dick recommended leniency, as it
was the boys' first offence and
each had been given a good char-
acter. The Police Magistrate, af-
ter both prisoners had promised to
be honest in future, ordered their
release on suspended sentence, on
payment of the costs of the prose-
cution, about \$20, each to pay
half. He also ordered that they
would be under the supervision of
Inspector Norton, of the Children's
Aid Society, for a year. Mr. Norton,
who was present, accepted the
charge. He said he would try to
find homes for the boys and would
do what he could for them.
Hein, it appears, had \$60 at his
credit at the Barnardo Home and
Sheen said he had a small sum of
money.—Milton Champion.
