Official Welcome and Presentation at Glen

Monster Garden Party Gold Watches Presented Baseball Match

The official welcome and presentation at the Glen will be held in Glenwilliams last Friday and Saturday, in honor of the brave soldiers of Ward 6 Esquing, will long be remembered to that community.

The Glen celebrated in good royal fashion, which is always the case in regard to any social cause, and nothing was left undone to make this the greatest celebration in the history of the Village.

The huge, elaborate and gorgeously decorated stands, the big trees and streamers used in the street decorations, were planned by the Robt. Simpson Co. through the kindness of Mr. C. Willson.

The garden party on Friday evening was one of the largest attended in the history of the village, and was a success in every way. The program provided by the Simpson Co. left nothing to be desired. It was artistic, entertaining and varied. The Open Band added greatly to the enjoyment of all by the rendering of such talented music. The evening was brought to a close by an informal dance in the hall, after which all went home well pleased with the evening's proceedings.

On Saturday afternoon, the number of people present eclipsed any such gathering in this part of the country. The early part of the afternoon was taken up by the field and track events. All events were evenly contested and valuable prizes were received by the winners. At 4 o'clock the final baseball game for the "Glen Cup," between Georgetown and Acton, commenced but after playing only three innings, was compelled to discontinue, on account of the thunder-storm. This being to the disappointment of all.

The presentation to the soldiers was transferred to the town hall, where General Mitchell, C.B. C.M., G.D.S.O., in the absence of Gen. Gunn, who was unable to be present, gave an able address and presented a solid gold watch to each of sixty soldiers. Short addresses were made by Capt. (Rev.) T.G. Wallace and Lt. (Rev.) H. Cotton, who received on behalf of the soldiers, Rev. Mr. Ferguson spoke on behalf of those who will not return, after which Glen Mitchell presented 7 clocks, suitably engraved, to the families of the fallen heroes.

After this all returned home a little disappointed on account of the rain, but well satisfied with the Outing.

A good feature of the Outing was the splendid order maintained throughout the entire proceedings.

Field Marshal Sir Douglas Haig, and Vice-Admiral Sir David Beatty, as expected, will be made Earls, and each will be given a grant of \$500,000. Field Marshal Viscount Jellicoe, of Scapa, will be given grant of \$250,000 each. A number of other commanding officers will be given money grants, making a total for all of \$8,000,000. Premier Lloyd George's name was proposed for some honor by Sir James F. Remond, in the House of Commons, but Andrew Bonar Law, the Government leader, replied that he had mentioned the matter to the Premier, who said he would not for a minute agree to it.

Limchouse

The thunder storm on Saturday afternoon was received with more pleasure than usual as it broke the long dry spell and opened the way for more refreshing showers.

A number of our young folks journeyed to Glenwilliams on Friday evening and Saturday afternoon and reported having a very good time. The Garden Party programme exceeded all expectations. The main event on Saturday was the baseball game, Acton vs. Georgetown, which was proving very exciting until called to a close at the end of the fifth inning on account of the approaching storm.

Rev. Mr. Kelly of London, presided at the Pottery Club held last night. Mr. Kelly gave a most interesting and impressive sermon on "Resisting the Wills of our Father." Mr. Kelly of Toronto, spent a few days at Mr. Chas. Meredith.

Mr. Douglas Darragh has returned to his home in Toronto, after spending the summer vacation with his friends here.

Miss W. Ross of Hamilton is visiting her sister, Mrs. Mrs. J. Nickel, Jr.

Mr. Wm. Marshall of Toronto, is visiting at his parental home, here.

Mr. and Mrs. Halliday and son of Toronto, are visiting at the home of Mr. Wm. Mitchell.

The good Stork visited the home of Mr. and Mrs. Harry Brown on Friday last and left a daughter.

On Monday evening the baseball team and fans motored to Glenwilliams for a friendly game with that team. The Indians were in regular form and the Glen Reds had no puzzles that could not be solved. The fine rain that fell during the game made the ball hard to handle, however the less some very good catches were made on both sides. The final score was 10 to 6 in favour of the Indians.

Obituary

Mrs. PHILIP MOORE.
On June 26 Mrs. Philip Moore, of Spesside, was taken ill, and though she rallied at times she never recovered her strength and gradually failed until death came on August 10. She was a daughter of the late John Lewis, of Nassagaweya, and was married to her late husband forty-six years ago. The bride and groom took up their residence on the farm where she died, which was the Moore homestead from pioneer days. Her death was the first break in the family, the only son and six daughters all surviving. They are Mrs. William Brown, Miss Agnes Day, Miss Mrs. Daniel W. Duffin, Mrs. Mrs. Mr. Fleming, Mrs. Mrs. Wade, Mrs. Ruth Bryce, Mrs. Mrs. John L. Atter, and Louie at home. Mrs. Moore was a golly woman. She was an ideal housewife and was greatly beloved by all who knew her. She had a very kindly disposition and was very generous to all her friends and neighbors. She was a member of Knox Church, Acton, and when in good health was a regular attendant at the church services. The funeral was held on Tuesday, at Greenwood cemetery, Georgetown, Rev. Mr. Wilson, her pastor, officiating.

Georgetown Herald

Wednesday Ev'g., August 20, 1919

THE PRINCE OF WALES has arrived in Canada. It is 59 years since his grandfather, the late King Edward, and 19 years since his father, the present King, made a tour of the Dominion.

HENRY FORD sued the Chicago Tribune \$1,000,000 for calling him an anarchist. The trial occupied many weeks and the verdict was that the jury was six cents damages for Ford. The costs however will amount to nearly \$500,000 and these the Tribune will have to pay.

THE PLACING of sugar on the free list would be the wisest move for the Government to make. It would punish the refiners as they ought to be punished if guilty of the charges Dr. McFall levels at them, and the loss in revenue could be made up some other way. The tariff can surely be used as a weapon as well as a sugar plum.

A MEMBER of the British House of Commons suggests that it would be a grateful act of reciprocity for Britain to put at the disposal of the United States Government the benefit of her experience in governing negroes, in exchange for the kindness of the United States Senate in offering advice about Irish affairs. That's what would be called a "nasty one."

HOLIDAYS come thick and fast at this time of the year, with Empire day, Queen's birthday, Dominion day, Civic holiday, Peace day and Labor day, all crowded in a little over four months. It is well worth inquiring whether Canada has not too many holidays scattered about and not enough in one place to give a tired and worn-out man some benefit.

THE REVENUES of Canada continue to grow. The Revenue for the first four months of the fiscal year totalled \$89,821,970 as against \$91,954,172 for the same period in 1918. Expenditures for the four months period are slightly over seventy-six and a half millions as compared with seventy-four millions last year. The total net debt of the Dominion at the end of July was \$1,570,208,691, an increase for the month of \$68,000,000.

THE WHOLE WORLD is protesting at the high cost of living, but it ignores the fact that people generally could pull down that cost if they would indulge less in reckless expenditures that often keep men poor when their wages are large. People are buying far more recklessly and needlessly now than they did before the war, and are spending more on amusements and small luxuries than they did some years ago. It is a habit formed during the flush conditions caused by the war. It will be recognized that it has always what makes, but with we spend that counts.

SIR EDWARD GREY'S appointment to Washington as Ambassador from Great Britain will be hailed with approval, for he can be depended upon to preserve the kindly relations which at present exist between the two countries. His appointment recalls the difficulty that Great Britain has experienced in selecting an ambassador to the United States, a general desire to remain in the homeland being due to several designations. The post has been offered to Mr. E. A. L. Fisher, the president of the Board of Education. Lord Robert Cecil could have had it, but he refused as he is selected to be one of Britain's representatives on the League of Nations. Other names which have been mentioned were those of Lord Rothermere and Lord Lytton. Even now the position is only to be filled temporarily but for the time being at least the ambassadorship is in safe hands.
