Consider this before buying shoes. Buy from a reliable man and a man who will do his best to give his customers every satisfaction. Don't take a good boot to a common repairer as ten to one your boot will be done for. It takes experienced workmen to mend shoes right. To-day I have two men at work and want another. This speaks for itself. I intend to show up the high prices you are paying for boots in Toronto and other stores. I am here to stay and will back up what I say by saving men with big families lots of money they never dreamed of, by doing with me.
