ONTARIO LEGISLATURE was dissolved yesterday and the Provincial elections will be held on October 30th.

ORISHANS MAY differ across the line as to who won the war, but the rescue comes Field Marshal Foch, whose verdict is that of one who was in a position to see and know. For some Americans would challenge the verdict it might be stated that Foch was there or thereabouts when the war was won, and this is his decision upon the point at issue. "If I was able to bring the war to a speedy conclusion, it was due to the sustained determination of the British Government to reinforce and keep up in 1918 sufficient effective and give powerful assistance to the transport of ammunition divisions."

Terra Cotta

Mrs. Edward Smithson of Edon, Manitoba, formerly of St. John's, is removing old acquaintances in Terra Cotta. She reports that the crops are excellent around Edon and that the farmers are all prospering in that great western province. She also reports a bumper potato crop out there this year.

Mr. and Mrs. A. G. Penrose and family, have moved to the Inter-provincial brick yard at Cheltenham.

Mr. and Mrs. Bujny and family, of Toronto, have moved into our village.

There seems to be a great scarcity of houses in our village. Every available house is now taken up.

Mr. and Mrs. J. Evans of Cheltenham, have moved to Terra Cotta.

Mr. and Mrs. John Blackstock of Bad Axe, Mich., who have been visiting with Terra Cotta friends have returned home.

Georgetown to be Incorporated

Best Town in County has a Population of 2088

Through the untiring efforts of the Board of Trade under the direction of their energetic President Mr. J. J. Allen, an accurate census of Georgetown has been secured and application made for its incorporation as a town.

A systematic canvass was organized some short time ago. The town was divided into sections and the reports from the different canvassers, which have now been completed show the following results:

Section 1, Wm. Barber 170
2, A. Hazelwood 170
3, A. Owens 290
4, E. McConah 172
5, S. Kirk 120
6, A. Reith 120
7, W. Butler 268
8, Geo. Arnold 288
9, W. W. Roe 200

No town in the province has a larger ratio of population to area. With her splendid waterworks system, the capacity of which is soon to be doubled; her many sturdy industries now in operation with more to follow, and her excellent educational facilities, Georgetown is bound to be one of the foremost towns in the Dominion.

Let every citizen do his or her part whenever opportunity affords to advance the best interests of our thriving home town.

Limehouse

Successful anniversary services were held in the Presbyterian church here on Sunday last. Rev. Dr. Blair of Ouellet preached earnest and inspiring sermons at both services. The choir of Knox church, Georgetown, rendered excellent service on the occasion.

Owing to the very heavy rain storm the attendance was not large but every one present was delighted with the services.

On Monday evening an old fashioned tea meeting was held in the church and there was a large attendance. An excellent musical program was supplied by Knox church choir, and Rev. Dr. Blair delivered a splendid address on "Peace and Our Responsibility."

This was followed by an abundant supply of sandwiches, cake, tea, coffee, etc. furnished by the ladies of the congregation and of which all partook heartily. Everybody went home feeling better for having been there.

One of the Best

The 78th annual Fair of Espousing Agricultural Society will be held in Georgetown, on Wednesday and Thursday of next week, October 1st and 2nd. Every effort is being made to make the show the best in the history of the Society. Every citizen should do his or her bit to aid the directors. Get your exhibits ready early. Tell your friends about it and be there yourself. See the races in the afternoon and then stay for the grand concert in the hall in the evening. It's up to you now to do the rest for we've told you about it, and if you miss the big time at Georgetown Fair this year, it is your own fault. Oh yes, and there is something else, but we can't tell you out loud—it's a secret—be at the show and you will see for yourself.

—Lady Forster, wife of Sir George Forster, died at Ottawa last Thursday.

Business Trip by Aeroplane

The distinction of being the first man to make a business trip to Georgetown by aeroplane has fallen to Mr. W. M. Sullivan of the P. H. Secord & Sons Construction Co. Ltd. of Brantford. Mr. Sullivan, who had been three years in the air service during the great war, came to Georgetown by aeroplane on Saturday morning last to tender on the new mill to be erected by the Georgetown Coated Paper Mills. After going over plans and specifications with Mr. Fleck and D. J. Albertson, architect of Kalamazoo, Mich., Mr. Sullivan left in his aeroplane for Toronto.
