Look to the Future

Begin with the Boys

THE glorious victories of Drake and Nelson were destined to be the foundation of our Empire...

And yet when Drake and Nelson chose the sea as their life-work, who was there to know what would be the overwhelming consequences of their decision?

To emphasize Canada's opportunities and responsibilities in the sea.

To raise funds for the relief of our merchant seamen, injured in the war and for dependents of those who were killed.

To maintain sailors' homes in our ports.

To train boys and young men for our merchant ships by the organization of Boys' Naval Brigades.

Intro: HERI, THE PRINCE OF WALES

Donation President: ADAMUS JARVIS

Today, if you have any question in your mind as to whether you should support the work of the Boys' Naval Brigades...

We may build ships by the thousand, but if we cannot man them ourselves our position is still economically unsound.

What will YOU do to help some Canadian boy who is anxious to learn seamanship, and so be of the greatest service to his country?

Let your contribution to the fund be a worthy answer. Help them by giving!
