Prominent business men from coast to coast are backing up the Nelson Day Campaign to raise $500,000 for the continuance of the work of the Navy League of Canada. The various useful activities of the Navy League include the conduct of Naval Brigades in which youthful Canadians are thoroughly trained to become deep sea sailors. The Merchant Marine requires every qualified sailor these brigades can produce and many more. It is a great work that is for the lasting benefit of the Dominion, the permanent prosperity of which must be dependent to large extent upon export trade. Business men all over Canada realize this and are heartily in accord with the aims of the Navy League. All the funds raised in the Nelson Day Drive will be spent in Canada mainly for the support of the Naval Brigades and for the Sailors Homes at Canadian Ports. Ontario's quota is $225,000 including $125,000 which will be subscribed in Toronto. A brisk campaign is now in progress and the actual drive will take place Oct. 21, 22, 23

Intolerance or Compromise?

A Challenge to Common Sense!

DON'T let anyone tell you that the issue on October 20th is "The Beer or the Boy"—"Is Alcohol a Poison or not"—"Economy or Extravagance"—any such an abstraction.

The plain situation is—three sections of the people of this Province are absolutely dissatisfied with the Ontario Temperance Act and want new legislation that will permit the sale of light beer and wine generally, and the sale of pure, spirituous liquors only through Government agencies.

These three sections of the population are—ninety per cent. of organized labor, by actual vote; a large number of returned soldier organizations, by actual vote; thousands of the rank and file of the electorate who have joined the Citizen's Liberty League.

The plain issue then is—Are you going to vote for the safe, sane, fair compromise that these men and women want; or, are you going to insist on the retention of the unsatisfactory Ontario Temperance Act—insist on the retention of legislation that is breeding and will continue to breed dissatisfaction and discontent among our workers, returned men and a large section of the citizens generally?

Which are YOU for—COMPROMISE and HARMONY, or INTOLERANCE and Widespread Resentment?

Study the Ballot and analyze the situation conscientiously. This is one of the most vital concerns you have just now—a settlement of Ontario's vexed temperance problem that will be in the best interests of all the people.

Vote "Yes" to all Four Questions

Mark your ballot with an X. Any other marking will spoil it. Remember also—Every voter must vote on every question or his ballot will be spoiled.
