The Georgetown Herald
Wednesday - Ev'g., Oct. 29th, 1919

MR. HON. DR. OGDY, minister of
education, has pronounced ag-
ainst homework in continuation
schools and high schools, but has
apparently overlooked the public
schools. A reasonable amount of
homework is all right, but when
so much is given that parents
have to devote the whole of their
evenings to helping their children
solve the problems given them, by
some teachers, it is time to call a
halt. A number of youngsters and
their parents hope that the
minister of education will extend
his edict to the public schools also
and that the excessive home work
filed on some of the pupils will
quickly be abated.

THERE IS A GENERAL impres-
sion abroad that the total amount
of money invested by any one sub-
scriber in the Victory Loan, 1919,
will be subject to taxation. This
impression is erroneous. It will
be the INTEREST from the invest-
ment that will be taxed, not the
principal invested.

As a matter of fact very few in-
vestors in the new loan will be
brought within the scope of the
Income Tax Act by reason of invest-
ments in Victory Bonds. With small
estates and investors the law does
not become effective under \$2,000 in
the case of married persons with
dependents, and \$1,000 in the
case of married persons without
dependents. Municipalities and
fraternal societies will not be sub-
ject to taxation in their invest-
ments in the loan at all. The in-
come taxable than ordinary income,
subject to the general law of the
land.

"WE MIGHT have courage, and
determination and must summon
the necessary unanimity," said a
distinguished British statesman the
other day, in counselling his
countrymen on the necessity of
maintaining her trade. These
words might just as well have
been uttered by a Canadian at the
present juncture. Canada is now
offering the 1919 Victory Loan
and it must be pushed through to
success with courage, determina-
tion and absolute unanimity, if
Canada is to prove worth of her
opportunity.

Great opportunities for trade lie
within the grasp of Canada if her
farmers, wage-earners, merchants,
manufacturers have foregone to
search for them. On the main-
tenance of our great overseas trade
built up during the war rests our
ability to carry on. One of the
great objects of the Loan apart
from the rehabilitation of the re-
turned soldier, is the raising of the
capital necessary to enable the
Government of Canada to continue
its system of credits to Great
Britain, France, Belgium and other
countries, and at the same time pay
cash to the Canadian producer.
On these credits our present and
future trade depends and all Cana-
dians must unite to ensure an
ample subscription to the 1919
Loan which alone will render them
impossible.

The potato harvest is now at

crop and of excellent quality. We
have heard of some patches reach-

Methodist Anniversary

Splendid Services Delivered by Rev.
Mr. Barker at both Services.

There were large audiences both
morning and evening at the anni-
versary services held in the Meth-
odist church last Sabbath.

The speaker of the day was Rev.
Mr. Barker of Burlington and his
splendid sermons were quite be-
fitting the occasion.

In the evening he chose as his
text the 16th verse of the 14th
chapter of Exodus, viz: "And the
Lord said unto Moses, wherefore
criest thou unto me? speak unto
the children of Israel, that they
go forward."

The speaker's theme was, "Go
forward." "God has appealed to
the children of Israel," speak to the
people and go forward. "We can-
not act and do as we did before
the great war for God demands
better service." The churches are
united in their spiritual objectives
in the great forward movement now
getting under way. A lot of things
may look as though they were
those who are too busy making
money and have not the time to
assist in this forward movement
for the advancement of God's
Kingdom should be careful of their
souls. The church is not a social
club, but a spiritual movement to
get a greater vision of God, and the
only way to have true brotherhood
is to get Jesus Christ in the heart.
While the war took our best we
were rich and because of it we
have neglected God. If Canada,
with her many perplexing ques-
tions and conditions, does not
turn to God, no man can prophesy
what will happen. There is a
great task ahead of our people and
God is calling for this great move-
ment to sweep Canada. Members
of the church must awake and get
that conception of God that will
make all men brothers in Jesus
Christ. Then, and only then, can
we have peace. It is a big task
and not for the preachers alone
but every member must help.
Talk to your boys and girls about
giving themselves to God. If Cana-
da is to be saved for God the
sons and daughters must do the
work of Christ. Don't be faint
hearted and fear defeat but pray
reverently and with God's help we
cannot fail. Let's give our best
for God and humanity and make
this great campaign a glorious up-
building of God's Kingdom."

The special music by the choir
during the day added materially
to the pleasure of the services.

The social and entertainment
on Monday evening was largely at-
tended and proved a most enjoy-
able occasion.

had charge of Knox Church here.

In Memoriam

THOMPSON—In loving memory of
Mary Hancock, beloved wife of Hen-
ry Thompson, who departed this life
October 26, 1919.

The face we loved is now laid low,
Her loving voice is still,
Her hands we often clasped in ours
Lie now in death's cold coil.

We often sit and think of her
And wonder how she is,
For memory is the only thing
That grief can call its own.

More and more each day we miss her
Friends may think the wound is healed,
But they little know the sorrow
Lies within our hearts concealed.

HUMPHREYS AND FAMILY

TRIMBLE—In loving memory of our be-
loved daughter Lorraine, who died Oct-
ober 24th, 1918.

Short and sudden was the call
Of one so dearly loved by all.
The blow was great, the shock severe,
We little thought her death so near.

And only those who loved her best
The pain of not saying a last farewell.
Some may think that we forget her
When at times they see us smile,
But they little know the sorrow
That smiles hide all the while.

The Family

SANDERSON—In proud and loving mem-
ory of Pte. William G. Sanderson, 37th
Hullion Bn., killed in action, October
29th, 1918.

He has gone across the river
To the shores of evergreen,
How long to meet his sweet face,
But his river flows between.

And our aching hearts are calling
Through the shadows dark and gray,
For the darling who has left us
Just four years ago today.

Sadly missed by Father, Mother, Bro-
thers and Sisters.

Obituary

Mrs. M. J. McCONNELL

There passed away on Saturday,
October 19th, the oldest resi-
dent of Georgetown, Mrs. M. J.
McConnell, aged 92 yrs. and 8
months. Her maiden name was
Margaret Jane Godfrey. She was
the second daughter of the late Mr.
and Mrs. Thomas Godfrey, and was
born in the County Londonderry
Ireland in 1827. She was con-
sidered a member of the Church of Eng-
land in Magherfelt in 1862, and
came to Canada with her parents
in that year, the voyage across the
Atlantic occupying 7 weeks and 3
days. Later she was married to
the late Hugh McConnell, but re-
mained a continuous resident of the
town since coming in 1862. She
was the first Anglican Church
dweller in the town and was one of its
earliest members. Her arrival in
town was by stage coach from Tor-
onto, the G.T.R. not being intro-
duced at that time. She saw the town
grow from a small settlement to its
present flourishing state and al-
ways took a keen interest in its
progress. "Pipes of a very impor-
tant nature were laid from the town
part in public affairs, but in the
home where her love and faithful
devotion were felt she will be sadly
missed. She leaves one son, A. J.
McConnell of Guelph, and one
daughter, Miss Olive McConnell at
home, also one brother, William H.
Godfrey and two sisters Mrs. V. A.
Ross, Lucknow, and Mrs. Mary
Brown, Erin. The pall bearers
were six nephews of the deceased.

WILLIAM NEWTON

Although in poor health for some
years, death came unexpectedly to
William Newton of Limestone, on
Friday, October 17th. He was
born at Limestone seventy-
three years ago and was the son of
the late John Newton, who con-
ducted a flourishing woolen busi-
ness there for many years. When
a child he was a member of the
Presbyterian Church and a Conserva-
tive. His father was a well known
adjoining farmer. Mr. Newton was
a fine type of a Canadian citizen.
He was a man of sterling upright
character, an intelligent and pro-
sperous farmer, a Justice of Peace,
and friend to all in the community.
He was a member of the Pres-
byterian Church and a Conserva-
tive. The funeral was largely at-
tended. Rev. R. F. Cameron, his
pastor, conducted the service. In-
terment was made in the family
plot at Limestone Cemetery.

Thanks to Supporters

Mr. Editor—I wish through your
columns to thank most kindly every
man and woman who supported my
candidature during the recent cam-
paign. Advancing the cause of
true democracy always involves
the departing from political party
lines which has been so marked
during this campaign.

Never before have I been asso-
ciated with such devoted and whole
hearted workers who with much
inconvenience and self denial have
stood by the cause of the people
as against the autocrats who have
been dominating legislation in this
Province.

I rejoice with the members of the
Hullion Referendum Committee on
the wonderful success of the Re-
ferendum campaign.

Most respectfully yours,
B. B. Cleaver.
