**Obituary**  
The funeral of the late Percy J. Glass, who died at his home in Windsor on October 29th, took place from the home of Dr. Watson, Georgetown, on Thursday afternoon last when the remains were interred in Greenwood cemetery. The late Percy Glass was a native of Georgetown and as a boy learned printing at the Herald office. He was in the West for a number of years where he occupied important positions on the Calgary Herald and Edmonton Bulletin. A little over a year ago he returned to Ontario and had since made his home in Windsor. Deceased was a young man of sterling character and was held in the highest esteem by all who knew him. The deepest sympathy of many friends is extended to his bereaved wife and children.

The funeral service was conducted by Rev. Mr. Davidson, assisted by Rev. Dr. Cline. The pall-bearers were: O. T. McKay, W. W. Roe, Wm. Long, D. Crighton, J. B. Harrison, and J. M. Moore.

**Mrs. Wm. McDowell.**  
On October 22nd, Jane Bell, beloved wife of Wm. McDowell, passed peacefully away at her home 285 Montrose Avenue, Toronto. Deceased was born at Mendonville and after her marriage to Wm. McDowell 55 years ago came to Georgetown, near Georgetown, where she resided until her removal to Toronto 6 years ago. She was one of our most highly respected residents, a devoted member of the Methodist church and a true Christian woman. She was beloved by her many friends and her family by whom she will be sadly missed. Besides her husband she leaves nine of a family, viz—James of Horby, Wm. of Melfort, Sask.; George, Hugh, Mrs. G. Noble, Toronto; Mrs. Robson Melfort, Sask.; Mrs. Harry P. Lawson, Esquimaux, and Ernest and Albert of Melfort, Sask.

The remains were interred in Prospect cemetery, Toronto, on October 26th, when all the members of her family were present except Albert, who was unable to attend.

**Limehouse**  
The Village of Limehouse and vicinity was shocked to learn of the sudden death of Mr. J. A. Henderson on Saturday morning November 1st. A man of sterling ability and worthy of the confidence of every one, and a general favorite in the community, where he will be missed by all. A kind father, a loving husband and a home builder was the late Mr. Henderson, a member of Limehouse Presbyterian Church, and one who always took a great interest in any movement to uphold everything that was for the best welfare of the community at large. The family and relatives have the sympathy of every one, and our prayer is that the bereaved widow may have the strength to carry on the task set before her in bringing to manhood and womanhood the little family who are left to mourn the loss of a willing worker and a kind and loving father.

Many friends gathered on Monday from far and near to pay the last respects to the late Mr. Henderson. The floral tributes went a long way to show the deep sympathy felt by all. The Rev. R. F. Cameron, his pastor, officiated at the family home, and serving several favorite selections of the departed the remains were carried to their last resting place in the little burying ground at the church 4th line.

The bearers were: Geo. E. Palkinhorne, Robt. Doughty, Thos. Kennedy, Thos. Rogerson, Harry Devoreaux and Wm. Gowdy.

The friends from a distance were: Mr. and Mrs. J. Scott Toronto, Miss Maud Henderson, Mr. and Mrs. Howard Henderson, Miss D. A. Lindsay, Mr. and Mrs. T. Darragh, Mr. W. and Alf Barrett, Mr. Will and Miss M. Russell, Mr. and Mrs. A. Rickaby, Mr. and Mrs. F. Shea, Mrs. Holm of Toronto; Mr. and Mrs. A. B. Henderson, Mr. and Mrs. A. Henderson, Mr. John Henderson, Mrs. Leslie Mrs. McClure, Mrs. Cameron, Mrs. S. Dalton, of Brampton; Mrs. A. Tucker Beaverton, Mr. and Mrs. Wm. Clayton Beaverton, Miss Mary Lindsay Guolph.

**Loan to decide Wheat Export**  
If Victory Loan is a Great Success, Canada May Export 113,000,000 Bushels of Wheat in 1919-20

Canada may be able to export 113,000,000 bushels of wheat in 1919-20. This is the encouraging prospect based upon figures from official sources.

Canada requires for home consumption purposes approximately 40,000,000 bushels of wheat and for seeding purposes about 35,000,000 according to authorities on this subject. The Government estimates that the Dominion's yield will run about 189,000,000 bushels which appears possible for Canada to export about 113,000,000 bushels in 1919-20 or about 10,000,000 bushels more than last year, and keep a large million bushels for carry-over stock on August 1st, 1920.

Of course, Canada's export trade depends largely upon the success of the Victory Loan. Mr. Thomas White, ex-Finance Minister for the Dominion, drew attention to the importance of this fact when he said that, in addition to other credits, \$170,000,000 had been loaned to Great Britain in connection with the single commodity of wheat last year. This would have been impossible if the Victory Loan of 1918 had not been a great success. The circulation of this big amount meant prosperity to vast numbers of Canadians, and if good times continued Canadians must lead off their profits and their savings with equal enthusiasm for the Victory Loan of this year.

**The Refinement of Purity**

CAREFUL cooks know the value of purity. In the making of cakes or pastry they use those ingredients which they believe to be pure and wholesome.

To apply this "insistence on purity" to sugar is no easy matter—for nearly all sugars look alike to those not expert in detecting variation. The safe course is to use a sugar that comes from refineries in which purity is a boast.

In the Dominion Sugar refineries the boast is backed by a standing invitation to the public to visit and inspect the plants in which Dominion Crystal Sugar is made.

In Dominion Crystal Sugar the housewives of Canada have one sugar that can be depended upon for that purity which is so essential to successful culinary effort.

This is the only sugar that may be rightly termed "Canadian from the ground up." We do import the finest raw cane sugar and refine it—but our pride is in the product we make from Canadian sugar beets.
