**In Memoriam**  
SWEET in loving memory of our dear husband and father, Alfred Sykes, who passed away on the 25th inst. at the age of 72 years. He was a true and noble man, a devoted husband and father, and a true friend. His passing leaves a void which can never be filled. We will miss his presence and his counsel, but we are comforted by the thought that he is now at rest. God called him to his heavenly home, and we trust he is now enjoying the peace and joy of heaven. Rites on Dec. 27th at 10 o'clock. Burial in the cemetery. Family.

**The Georgetown Herald**  
Wednesday Ev'g., Dec. 3rd, 1919

IF THE PRESENT council would remain for a year and carry through their proposed waterworks extension, we believe it would be a good thing for our town. An increased water supply is absolutely necessary and we would be sorry to see the good work which has been started along this line undone.

A MIDDLE AGED woman from a neighboring municipality has been making her annual call on our citizens, begging for clothing, etc., and telling the old story of her home being burned, which home, by the way, seems to have formed the habit of getting burned each year just before the begging expedition. She has been treated rather generously by our unassuming and charitably inclined citizens and has at once received more than her share. There are families much nearer home, and more deserving, who are in need and would no doubt appreciate anything in the way of clothing or other things. We would like to mention the above facts so that others may not be imposed upon and this impostor be prevented from "hogging" all the cast off clothing in the community.

**H. S. Commencement**

Our High School Commencement Exercises and entertainment held in the town hall last Friday evening, was as usual a grand success. The hall was packed to the doors and the program provided up to the usual high standard of previous occasions. Mr. C. B. Dayfoot was the chairman of the evening and opened the program with a very appropriate address on education and matters pertaining to school. Mr. Frank Oldfield of Toronto, delighted the large audience with his selections. He was repeatedly encored and his good natured response was certainly appreciated. The wand drill by girls of the High School, the Indian club drill by the boys, and the old time dance by the girls were all put on and received much favorable comment. "Graduation day at Woodhill School" was an enjoyable farce and caused much merriment. Mrs. Ralph Ross was the capable accompanist of the evening.

During the program the following H.S. pupils were presented with diplomas and certificates:—  
Senior Diplomas—Clara Brown, Myrtle McKinney.  
Junior Diplomas—Margaret Russell, (Honors), John Ryan, (Honors), Hazel Early, Florence Gilson, Ann McGibbon, Alfred Laird, Evelyn Wilkinson, James McBean, Leslie Waddell, Harpin Beaumont (Pr. III).  
Faculty Entrance Part I—Myrtle McKinney, Clara Brown, Olive Mowat.  
Honor Matriculation—Clara Brown (Pr. III), Myrtle McKinney (Pr. III), Harpin Beaumont (Pr. III).  
Normal Entrance—Margaret Russell, (Honors), John Ryan, (Honors), Hazel Early, Florence Gilson, Alfred Laird, James McBean, Ann McGibbon, Leslie Waddell, Evelyn Wilkinson.  
Matriculation—Margaret Russell, John Ryan, Harpin Beaumont, Alfred Laird, James McBean.  
Lower School Honors, Form 2—Finlay Allen, Stewart Flier.  
Form 1—Vivian Adams, Martha McPherson, Madeline Taylor, Thomas Bingham, Arthur Benton, Rex Hurry, Lloyd Davidson, Edward Hanson, Howard Fillock, George Kennedy.  
Provincial Prize for Victory Loan Compendium—Irvin Mathew.  
County Medal for Rifle Shooting—John Ramsay.  
Much credit is due Mr. Ralph Ross, Principal, and his able staff of teachers, for the excellent training of the pupils of the school.  
At the close of the program the pupils of the school entertained their guests to a dance which proved quite enjoyable. The music was furnished by Mason's Orchestra of Acton.

**A Great Event**

An event of the greatest importance to every man and woman interested in Agriculture in this province is the approaching Convention of the U.F.O., to be held in Toronto on December 18, 17 and 18. This gathering will be of great significance to the farming community. You should keep in touch with every move made. You can do this by reading the farmers' own paper, "The Farmers' Sun," which will give most exhaustive reports of every matter discussed at the great Convention.  
During 1920 there will be many improvements in "The Sun." Every department will be enlarged, re-modeled and strengthened. Although the cost of the improvements to be made will be great, and an increase in the subscription price necessary, the price has not been raised yet and \$1.00, if remitted at once, will secure for you, without doubt, the greatest farm newspaper for 1920.  
Send in your subscription at once and get your neighbor to take advantage of the present subscription price.  
There is no other paper just like "The Sun," and none in the same position to help you. Over 80,000 Ontario farmers subscribed for the Sun. Why not you? Send your order direct to THE FARMER'S SUN, TORONTO, ONTARIO.

**MRS. LAIDLAW**  
Mrs. Thomasing Laidlaw departed this life on Tuesday morning, November 25th, at the home of her brother George, and her sisters the Misses Cecilia and Margaret Robertson, and her body was laid away to rest in Greenwood cemetery, Georgetown, on the following Friday.

The funeral services were conducted by her pastor, the Rev. R. P. Cameron. Mrs. Laidlaw was an intelligent, modest, faithful and consistent Christian, and it can be said of her that "she hath done what she could." During her later years she lived with her cousin, Miss C. McColl, our Charles St. Besides her brothers and sisters already mentioned, those survive her brother Robert Robertson, of Manitoba; her sisters, Mrs. Mary E. Ewan, Mrs. George Marr and her grandson, Walter Laidlaw of British Columbia.

There was present at the funeral services her daughter-in-law, Mrs. W. A. Wallace, and her granddaughters Mrs. Thomas Carroll and Miss Bessie Laidlaw of Toronto.

**IN THE Good Old Days**

When the dollar bought a hundred cents worth, buying things meant going into the nearest store and getting what you wanted for the amount you wished to spend, but times have changed, and now when the dollar does well if it gets fifty cents worth, buying has become what we may almost call an art. It now takes the shrewd buyer careful planning and study before he finds how and where to get the most value for his money.  
Now for a suggestion. Why waste time and pay the expense of going to the city only to find that prices have reached the clouds, and then not good quality in what you buy, when you can just step into the family clothing store of your own town, namely, Brill & Co., and get the best possible value obtainable under the present conditions? Our styles are varied and always up to date.  
Our Winter Stock is now complete. Come in and look around. We are always ready to give you honest, courteous and efficient service.

Here is a reminder of some of the things we have to sell:
