THANKS TO THE PROMPT action of our Medical Health Officer and the Board of Health, Georgetown Glen Woollen Mills, Glenwilliams cases having completely recovered and quarantine been raised. So far so good. But listen; there are going to be more cases right here in the very near future if people who have no business continue to flock to Toronto, and take their children with them. There is no better way of contracting the disease than paddling through department. al stores, riding in congested street cars and attending picture houses and theatres in a city where there are hundreds of known cases, and probably three times as many unknown. If you can't be good, be as careful as you can.

ONE OF THE WORST things to contend with in life is that of suspicion. It is a terrible thing when auspicion enters a person's mind and destroys the feeling that should exist and did exist before that archenemy of peace, the devil, implanted suspicion in the hu Pies, Cookies, Cakes of suspicion is frankness. If you suspect a person of doing you an A injury, speaking ill of you, trying to do you a wrong, don't go around the the corner carrying your thoughts, but go to him and ask him about it. It's better than carrying ar- ren strong and healound with you a load that only blackens the heart and sullies your thy. good nature, and half the time it has no excuse for existence. Try and wholesome and avoid suspecting man or woman. If newspapermen or police were to suspect all the folks they see and hear acting suspiciously. what a life of nightmare they would live. Suspicion half the time exists on nothing.
