

County Court and General Sessions

The County Court and General Sessions opened before His Honor, Judge Elliot on Tuesday, December 16th. Two cases came up, one criminal and one civil. Plaintiff John E. Hummsett, of Oakville, appeared for sentence. He pleaded guilty last July to stealing hides owned by G. E. Jackson, of Toronto, for whom he was agent, and was remanded for sentence. As he had made restitution, seven nine days in jail the Judge ordered his release on suspended sentence.

Wilson vs. Cockburn. Alex. Wilson, of Milton, claimed damages from J. W. Cockburn & Son, of Guelph, contractors, for alleged breach of contract. Plaintiff learned for defendants near Campbellville and quit work, alleging that defendants had failed to keep roads in suitable order. A number of witnesses were examined and the trial ended yesterday evening. Judgment reserved.

Geo. W. Morley for jilted. W. I. Dick for debts. The trial of J. B. Clarkson, of Barrie, did not come off. He had elected to be tried by a jury on the charge of driving a motor vehicle erratically and recklessly, causing serious bodily harm to certain parties on the Toronto-Hamilton highway on September 28th. He changed his election to trial by judge, without jury. He will be tried next Thursday.

A Splendid Concert. The large audience which attended the Presbyterian Guild concert last Thursday evening was delighted with the excellent program given. Jessie Alexander is as popular as ever and her selections pleased everybody. The Hawaiian Quartette were well received in their musical selections which were good. The piano duette by Mrs. R. Ross and Mrs. R. F. Cameron and the piano solo by Miss Jessie Leavitt added materially to the pleasure of the evening. Rev. R. F. Cameron occupied the chair.

In The Interest of Church Going

Each recurring Christmas-tide marks off a period of our life. Again we think of the gift of our Saviour to this world. May His coming unto us be the joy of all our lives and by His help may we mark off at this Christmas-tide its best period. May we express our joy and gratitude for the world's greatest GIFT by our presence in God's house this Christmas Sunday.

Two Great Features of the Brunswick Method of Reproduction

1 The Ultona. This all-record player has revolutionized phonograph ideals, and is instantly adjustable to each type of record.

With it you can play all records at their best. All artists, all bands, all selections are at your command.

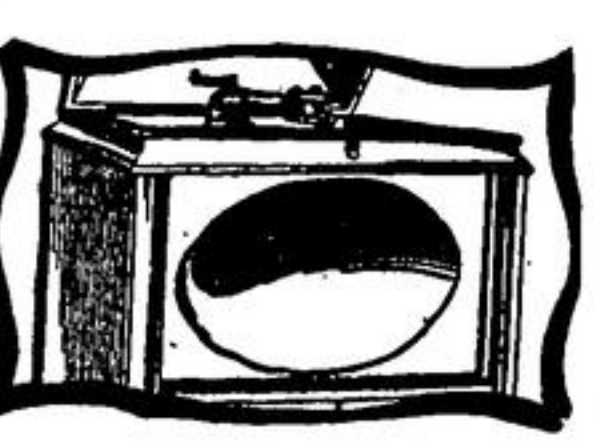

Only The Brunswick offers this great invention.

2 The All-Wood Tone Amplifier, which develops new tonal qualities, bringing out tones hitherto lost. It is constructed entirely of wood, like a fine violin.

Investigate these exclusive features before you make even a tentative decision, for old ideas are sure to be discarded.

The Brunswick has created a nation-wide appreciation. Thousands are being sold to those who insist on the best.
