**The Georgetown Herald**  
Wednesday, Ev'g., Jan. 28th, 1920

SIX MILLION Jews are leaving to death in Eastern Europe. An appeal to be made in Canada, under the guidance of Sir Mortimer Davis of Montreal, for funds with which to buy food and clothing.

THERE IS NO MONEY expended which returns better value than that which is expended in educating the youth of the land. This is at the very basis of good citizenship, but we cannot expect to cure and retain good teachers unless we pay them a living wage.

During the past few years, the men and women on fixed salaries have been ground between the upper and lower millstones. The abnormal increase in the cost of living has been exceedingly hard on school teachers and other salaried people. The purchasing power of a dollar to day is less than one-half of what it was in pre-war days.

**Glenwilliams**

A grand social evening was held in the town hall, Glenwilliams, on Thursday night last, under the auspices of the Georgetown & Glenwilliams Co-operative Society. The hall was packed to the limit.

Manager H. Pritchett in opening the proceedings outlined the good progress they were making and would continue making if the members were all loyal to the co-operative movement. President A. Annandale occupied the chair and also gave a short address on Co-operation. A good musical programme was gone through, after which the kiddies each received a bag of good things.

Games and dancing then went on with a good swing; refreshments being served in the meantime.  
Everyone had a real good time and called for a similar event in the near future.

Some of our citizens deserve credit for the way they keep their sidewalks clear of snow. Others deserve something else.  
A few of our young folk enjoyed the G.W.V.A. ball at Georgetown. Two of our returned soldiers have received their 1914-15 star. Congratulations.

There is fine ice on the rink. Come out and try it.  
Mr. Barlow is recovering nicely from the injury he received at the recent fire.

Miss Catherine Allen was operated on for appendicitis at Toronto, on Monday.  
Pretty cold lately—Keep the home fires burning.  
The old time password in the Glen is being used frequently these days.—Stump.
