## Announcement!

To the Citizens of the Thriving Town of Georgetown and also to the Farmers of this Prosperous Community:

I beg to announce that I have opened up an Auto Sales Room in the Willoughby Block Georgetown, in which I am going to offer for sale the three well-known Cars.

### Briscoe Oldsmobile Franklin

I am here a stranger among you but I am here to stay. Let me say Ladies and Gentlemen before making my choice and selection of a place for business and residence, I looked around a great deal with the chief object in view of settling in a prosperous town and community.

I made a careful inspection of other towns and districts and finally came back to Georgetown each time more impressed than ever with the town and the people so I finally decided on Georgetown as my place of residence and business.

After deciding on Georgetown and to prove my earnestness in my business future among you and the cars I am offering to the Public for sale, as evidence of my good faith I have invested my money among you. I have purchased my place of residence, formerly owned by Crawford Adams, on Main St. south; also as a place of business that portion of the Willoughby Block on the south side of Mill St., belonging to Mr. Willoughby.

I ask you for a share of your patronage and I would be pleased to have you drop in and look over my new Spring Models before placing your orders elsewhere. I am

Faithfully yours
