Obituary
JOHN J. ALLEN
By the passing of John J. Allen, whose death took place on Monday morning at his home on Main St., Georgetown, one of its best citizens. No one will be more missed in the community than he, and his death will be deeply regretted, not only by his many Georgetown friends, but by friends all over the county, from Coast to Coast, for the late Mr. Allen was one of the most popular commercial travellers on the road. Notwithstanding his busy life, there was not a citizen who took a deeper interest in the welfare of his home town and the betterment of the community than he. He was always ready and willing to give a hand to assist in anything that would make the life of the town brighter and better. He was President of the Lawn Bowling Club and much credit for the Club's present splendid greens is due to him; also the present large membership and influential position of the Georgetown Board of Trade is largely due to his efforts as President of that organization. He was Secretary of the Durham's Snack Club; a prominent Mason and Past Master of Credit Lodge, A.F. and A.M.; a member of the Public Library Board and an enthusiastic supporter of all clean sports. In 1895 when the old Antino Lacrosse Club won the Ontario into Championship of Ontario the late Mr. Allen personally presented each member of the team with a beautiful silver medal suitably engraved. In religion deceased was an earnest worker in the Congregational Church for many years. After the closing of that church here some few years ago he united with the Presbyterian church. Besides his widow he leaves a family of three daughters, Jessie, Ada and Jean, and one son Finlay to mourn the loss of a kind and loving father. They have the sympathy of the community in their sad bereavement. Three brothers of deceased's living are B. L. Allan, Allah Grove, B. C., Charles Allan, Smithport, Alta., and W. F. Allen, Galt.

Obituary
JOHN J. ALLEN
By the passing of John J. Allen, whose death took place on Monday morning at his home on Main St., Georgetown, one of its best citizens. No one will be more missed in the community than he, and his death will be deeply regretted, not only by his many Georgetown friends, but by friends all over the county, from Coast to Coast, for the late Mr. Allen was one of the most popular commercial travellers on the road. Notwithstanding his busy life, there was not a citizen who took a deeper interest in the welfare of his home town and the betterment of the community than he. He was always ready and willing to give a hand to assist in anything that would make the life of the town brighter and better. He was President of the Lawn Bowling Club and much credit for the Club's present splendid greens is due to him; also the present large membership and influential position of the Georgetown Board of Trade is largely due to his efforts as President of that organization. He was Secretary of the Durham's Snack Club; a prominent Mason and Past Master of Credit Lodge, A.F. and A.M.; a member of the Public Library Board and an enthusiastic supporter of all clean sports. In 1895 when the old Antino Lacrosse Club won the Ontario into Championship of Ontario the late Mr. Allen personally presented each member of the team with a beautiful silver medal suitably engraved. In religion deceased was an earnest worker in the Congregational Church for many years. After the closing of that church here some few years ago he united with the Presbyterian church. Besides his widow he leaves a family of three daughters, Jessie, Ada and Jean, and one son Finlay to mourn the loss of a kind and loving father. They have the sympathy of the community in their sad bereavement. Three brothers of deceased's living are B. L. Allan, Allah Grove, B. C., Charles Allan, Smithport, Alta., and W. F. Allen, Galt.
