**WHY NOT SPEND YOUR** cash at home? If everybody paid cash to the local merchant, as they have to do when they buy from the merchant order houses, the home merchant would be able to give you a closer price on his merchandise. To run a bill at home and send your cash out of town is unfair to the home merchant and to your town. Buy at home and keep your money at home.

**AFTER ADDING TO** our present water supply, the greatest need of our town is an adequate number of houses to accommodate the families being brought to town by our manufacturers. There is absolutely no use in trying to bring new industries until we can take care of those we have. We have houses available at the present time the additional help which is needed will be required by our present mills and factories would increase the town's population by at least five hundred.

**GEORGETOWN CHAMBER OF COMMERCE**

has possibly not accomplished all that some of its members expected during 1919, but it has nevertheless had a most successful year, and the passing of another milestone finds it strong and hearty and capable of making more vigorous strides during the coming twelve months. There can be no disputing the fact that the Chamber has attained a prominent place in the discussion and promotion of civic affairs, and its work in conjunction with our Town Council is proving highly beneficial in numerous ways to the advancement of the municipality. Let the work go on. There are many big questions to be dealt with that the Chamber of Commerce can interest itself in, not the least of which is better roads, the building of more houses, beautifying our town by having better kept boulevards and fewer weeds on our streets, an ample supply of water for lawns, and the development of our town industrially.

**In The Interest of Church Going**

Church going is a means of grace, and divinely appointed. It is helpful, and restful. A fine investment of your time. It develops the best powers of the mind. But how easily neglected. Absence from next Sabbath's services will make it easy to stay away the next week. The slightest irregularity in attendance will work serious havoc with a good habit. These men reach for an excuse. We shall find a plenty of good excuses. Most excuses analyzed mean simply, "I don't wish to." If you attend church regularly one quarter, you will want to go. Try the remedy. Begin next Sabbath. We shall look for you.

Deceased was born in Argyleshire, Scotland in 1839. He was married in the spring of 1871 and he and his bride sailed for Canada seven weeks later. They settled in Chinguacousy where deceased farmed all his life. Mrs. Macdonald pre-deceased her husband three years ago. The family consisted of six sons all of whom are living. **MRS. ELIZABETH GRAY**

In the passing of Elizabeth Gray at Toronto, Canada, a Christian woman, loving mother and true friend has gone to her reward. Deceased was the third daughter of the late Philip Hemstreet, and was born at St. Charles, Ill., a few miles west of Chicago, on Independence Day, July 4, 1838. When 13 years of age she returned with her parents to Canada. They settled first in Trafalgar, later moving to Crewe's Corners. She was married on December 8, 1857, to the late Edward Moore, son of Thomas Moore, one of the pioneers of Esqueping.

The newly-married young folks settled in a home in Acton, at the corner of Church and Frederick streets upon which property "Moorecorals" now stands. Here the family of three sons and three daughters were born. A great sorrow came to the home when the husband and father, one of the most useful members of the community, was suddenly stricken and passed away on May 28, 1879, at

We assembled here representing the congregation of Union and Norval Presbyterian Churches, with a wish to acknowledge the valuable services rendered by you during seven years' ministry.

We know that the good seed sown by you has borne fruit, and we feel sure that in many years further good results will develop from your labors.  
You have given us in your most able discourses and very earnest prayers, much matter for thought, and always something to carry to our homes, which has proved beneficial to the members of these two churches.

We, as members of these congregations regret very much your departure, because you have ministered so lovingly to our souls, both in sickness and health, and we wish to state that only the best friendship and harmony has existed between you, as our Pastor and us a congregation, that our best wishes for you and your estimable wife's future welfare and happiness go with this address, and that both will be long spared to labour in the "Master's Vineyard" and that your work will be crowned with success.

We ask you to accept this purse, as a joint gift from your friends in these two churches.  
Signed on behalf of churches:—  
E. G. Huffman R. F. Leslie
