THE LOCAL FOLLOWERS OF ISAAC
Wagon were getting their fishing tackle ready for the opening day. The season for trout opens on Saturday and there is no doubt that when the families of the local exponents of the art sit down to breakfast on themselves or members of the family tribe which barely exceed the minimum and are regaled by tales of the "whopper" which was hooked but got away. There's lots of fun in going fishing—and you needn't just fish all the time either.

Clean-Up Day
The Horticultural Society in co-operation with the Town Council request all the citizens to join in a general clean-up day, Thursday, May 6th.

Our town has many natural attractive features but there are many eye sores and much rubbish. Let us as a community correct this condition, make the rake and spade popular on May 6th.

The town will furnish teams for the removal of refuse, if the citizens will place it conveniently in front of their property.

Obituary
MRS. WM. BARBER
After an illness of some months, Mary Jane Foster, beloved wife of Wm. Barber, passed peacefully away at her home here on April 25th, in her 67th year.

She was born in Ossington, Peel Co., and has been a resident of Georgetown for the past 16 years. Besides her bereaved husband a family of two daughters and two sons remain to mourn the loss of a devoted wife and kind and affectionate mother. They are—Chas. A. Barber, Seaforth; Mrs. (Col.) Ballantine, Hamilton, N.Y.; W. D. Barber and Miss L. E. Barber, town. Two brothers also survive Mortimer Foster, Shelburne, and William Foster, Brantford. The late Mrs. Barber was a life-long member of the Methodist Church and a true Christian woman whose influence in home and community will be sadly missed. The funeral service yesterday was conducted by Rev. Mr. Davidson; the pall-bearers were J. W. Kennedy, H. E. Heartwell, F. S. Near, James Watson, Wm. Cleave, John McDermid. There were many beautiful floral tributes.

C. V. RUTLEDGE
The sad death occurred at Brampton last week of C. V. Rutledge in his 74th year. He was predeceased him by five years. He is survived by 8 children, one son, Jas. G. at home, and two daughters, Mrs. Dandie, of Streetsville, and Mrs. Fred Switzer of Norval.

—After May 1st, the four lots in the Pines will go up \$50.00 each, to clear them out they will be sold on any reasonable payments to Georgetown's best citizens.

Vertical Demonstration
Mrs. M. Plouman, demonstrator of "Vernicol," a wonderful floor and varnish stain for woodwork, floors or furniture, will be at B. H. Thompson & Co's hardware store on May 15th and 16th. Every lady and gentleman in town and vicinity is cordially invited to call and see what can be accomplished by the use of Vernicol.

Farmers Buy Milking Machines
Halter County is coming to the front in the dairy line. A representative of the Empire Cream Separator Co., 80 York St., Toronto, was in this vicinity last week and remarked that Halter would soon rival Oxford in dairy production. The demand for milking machines is growing, and Thomas Dolson, Thos. Leslie, L. F. Demison and Thos. Young purchased machines from the above Co. Mr. Thos. Hewson of Norval is the local representative and expects to put in 30 more machines shortly.

Georgetown More Beautiful

Interesting Address by Dr. Bennett of St. Thomas

On Wednesday evening, April 21st, the Members of the Local Horticultural Society and their friends were entertained by Dr. Bennett, President of the St. Thomas Horticultural Society. The evening was pleasantly spent in listening to an interesting talk, giving the development of the St. Thomas Organization and illustrated with numerous lantern slides. St. Thomas has enjoyed an enviable reputation for a number of years for its beautiful parks, boulevards and home surroundings and by the illustrations shown Dr. Bennett amply justified the same. Georgetown has wonderful opportunities for beautifying its surrounding and in co-operating with the Horticultural Society in our own town, ample demonstration was given of what could be accomplished. Dr. Bennett showed that from a business standpoint, a beautiful town was a source of attraction to industries desiring a location, who realize the benefits to their employees derived from pleasant surroundings as well as pleasant scenery, who bring their money to spend in such places. Also the effect on our children where school grounds are well kept and the love of flowers encouraged. The Library building was filled to capacity showing the keen interest being taken in the new organization. If the Society continues to add to its membership it will require the use of a larger building for its entertainments. The Society will have these from time to time to which all members and their friends are invited. At the conclusion of the entertainment a vote of thanks was voted to Dr. Bennett for his kindness in coming to Georgetown at this busy time.

Georgetown has a live Horticultural Society which is seeking the co-operation of our citizens to help them to make our town an attractive place to live in. Get behind our society and help it along and we will soon have a flower town in reality as well as in name.

—From factory to feet—J. Boney, I am the man that is making Georgetown the cheapest place in Ontario to buy boots that give satisfaction. I want all the second hand boots I can get for cash or exchange with good tops as I get sale to no limit for them. Cheapest and best repairing done. J. Boney, the people's family shoe man.
