A REPRESENTATIVE of the govern-
ment was in town to-day in
connection with the proposed new
post office to be erected in Geor-
getown. We hope he saw the neces-
sity for the new building and that
our part of the dream of some years
ago may become an established
fact in the very near future.

WELCOME NEWS to the people
of this province is the expectancy
of the Ontario Deputy Minister of
Highways, that by the end of the
present year this province will
have a highway from one end to
the other, so well constructed, and
with such a good surface, that it
will provide comfortable transpor-
tation.

May the good work to forward
vigorously, and the expectations of
the Deputy Minister should not be
lost upon municipalities who will
have their work cut out for them
preparing for connecting up with
the provincial highway, so as to
take advantage of the traffic which
will assemble upon as a result.

WHEN THE TELEPHONE RINGS
you hear a customer or your
neighbor to answer it. The call
may have been unimportant but

right of way over your time so the
call of Religion on your life.
Other things are pressing but this
has the right of first place. It is
never unimportant, other things
can wait, God has a right to be
heard.
