

Be Loyal to the Boys Who were Loyal to You

Date: June 4th

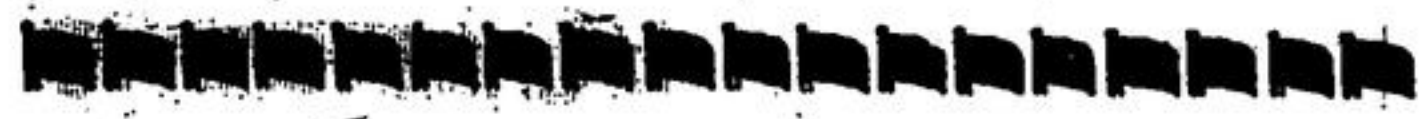

Our Aim \$3500

FRIDAY, JUNE 4th

EVERY CITIZEN is expected to do his or her part, and we know they will, in the

Big Drive for \$3500

with which to show in a tangible way our appreciation of the services of the boys who took our places in the trenches while we remained at home in comfort.

The boys done their part and we know you will do yours when the Canvassers call on June 4th.

A GRAND BANQUET

The drive will be opened on Thursday evening, June 3rd, by a Grand Banquet, given by the Ladies' Civic Association. The price of a ticket for the Banquet is \$1.00. The sale of tickets will close on Tuesday evening, June 1st in order that the ladies may know definitely how many plates they will be called on to serve. Everybody is welcome and we would advise you to secure your ticket early. Tickets may be had on and after Friday, May 28th, at 10 a.m., from L. E. Fleck, J. A. Willoughby, L. V. Hourigan, J. M. Moore or at Matthew's and Hourigan's drug stores.

The World's Progress
"What's the matter with America these days? The Fargo (S.D.) Forum, succinctly and convincingly answers the question:
Too many diamonds, not enough plain cloths.
Too many silk shirts, not enough blue flannel ones.
Too many pointed-toed shoes and not enough square toed ones.
Too many serge suits and not enough overalls.
Too much décolleté and not enough aprons.
Too many "antle upholstered limousines and not enough cows.
Too much oil stock and not enough savings accounts.
Too much of the spirit of "get while the getting is good" and not enough of the old-fashioned "thrift."
Too much class consciousness and too little common democracy and love of humanity.
—A man in Winnipeg is reported to have his wife a new brand of home potato. It is composed of red pepper and herb wine. Three dishes are said to be enough to make a man climb out of a church steeple.

MODESTY

When every pool in Eden was a mirror
That into Eve her dainty charms
She went undraped without a sin
Thought that she had need to be
ashamed.
'Twas only when she'd eaten of
the apple
That she became inclined to be
a prude,
And found that evermore she'd
have to grapple
With the much debated problem
Of the nude.
Thereafter she devoted her attention
Her time and all her money to
her clothes,
And that was the beginning of
convention,
And modesty as well I suppose.
Re-nation's come about in fashions
recent,
Now girls conceal so little from
the men,
It would seem, in the name of all
that's decent,
Someone ought to pass the ap-
ples round again.
