In Memoriam
PAUSE—In loving memory of Mrs. Wm. Paige, who departed this life June 3rd, 1919. You are not forgotten mother dear. Nor ever will you be. As long as life and memory. We will remember last, those sadly missed by daughter Florrie

The Georgetown Herald

THE UNITED STATES State Department has asked the District of Columbia commission for a statement of fact as to the burning of the British flag last week in front of the treasury by women sympathizers with Irish freedom.

THE ONTARIO HOUSE arranged several days with the Superintendent Bill. Why should civil servants receive a pension? They are in a better position to provide for old age than three-fourths of the citizens. The pension pay is sure and if they can make more at something else they can "skip" the job. This is a free country.

A DEFINITE DATE for the Ontario liquor referendum, it is stated, is not likely to be set for some time yet. It is expected however, that the referendum will be held in the fall, probably in October. Following receipt of the resolution by the Ontario legislature calling for a referendum, the Dominion Government has an interval of three months within which to issue the proclamation setting the date.

THE MEMBERS of the Dominion House are said to be after a larger seasonal indemnity, to help ease some of the revenue to be derived from the new budget tax. Yet they can't see that, while preaching thrift for the country, there is more extravagance around the Federal departments than in any private business in the Dominion. If some got pay only for the work done, they could not buy a bag of potatoes.

THE METHODIST general conference special committee in session in Toronto last week, passed a resolution that they cordially welcomed the proposal of the House of Bishops of the Anglican Church to consider a more comprehensive plan of church union, but in the committee's opinion they thought no union now contemplated should be completed before a larger ecumenical union was brought about. The present proposal is the union of Presbyterian, Methodist and Congregationalist denominations. Rev. S. D. Chown, superintendent of the Methodist Church has had informal conferences with Archbishop Macheson, Primate of all Canada, and during these the inclusion of the Anglican and Baptist Churches was suggested. The archbishop asked if the time was not ripe for a conference on the question. This proposal led to the passing of the resolution by the Conference Committee.

BOTH THE MILTON newspapers have been suggesting the erecting of a county memorial to fallen soldiers in Milton. That would be very fine provided it is accomplished by private subscriptions and not by municipal taxation through the County Council. Other municipalities in the county are raising funds for memorials to be erected honoring the memory of the men who made the supreme sacrifice, who belonged to their respective localities. It would therefore be manifestly unfair to the other towns and municipalities of the county to be assessed for a monument to be erected at Milton, merely because some influence succeeds in having it called a county memorial. Action has just about reached the objective for a very respectable monument. If, therefore, any county monument is to be considered, action must necessarily be relieved of any municipal responsibility for the cost of such a memorial.—Free Press. The Free Press is right. Georgetown will also erect a memorial to commemorate the memory of her fallen sons and this municipality decidedly objects to being assessed for a county memorial. The idea is certainly a bright one so far as Milton is concerned and would relieve the citizens of that town of considerable expense. Loosen up and build your own monument Milton, and we'll build ours.

A World's Champion
Last week Miss Annie Sullivan, a bright young student at Geolp Business College, and a resident of Georgetown, brought honor to herself and her home town by making a world record as a typist. She wrote 145 words a minute for 10 minutes. Miss Sullivan is a sister of Mrs. V. V. Grant, and has been the recipient of many congratulations on her wonderful achievement. The Herald joins in extending congratulations.

Banqueted by Ladies

Chamber of Commerce, Conveyance Committee and Citizens, Guests of Women's Civic Association

The banquet given by the Women's Civic Association in the auditorium of the hall last Thursday evening, as a forerunner to the big drive to raise \$8600 for which to secure watches for our returned soldiers, was one of the most pleasant and enjoyable events in the history of our town. There was a large attendance of ladies and gentlemen. The menu which included the best procurable fish, oysters, "potatoes", bread and butter, cake, ice cream, tea, coffee, etc., was served in a most creditable manner by the handsome ladies and charming maidens of the Women's Civic Association. When all had partaken to a degree, barely within the limits of safety, Mr. J. A. Willoughby, chairman of the evening, called the gathering to order and after appropriate remarks regarding the object and aims of the Committee appointed to raise the amount above stated, announced the following toast list, viz:—"The King", responded to by singing National Anthem. "Our Country", proposed by G. B. Deacon and responded to by Rev. R. P. Cameron. "Our Town", proposed by J. M. Moore, responded to by Reeve Dale. "Chamber of Commerce", proposed by W. F. Bradley, responded to by E. Plunk. "The Veterans", proposed by Major Grant, responded to by Major G. O. Brown and Col. Noble. "Ladies Civic Association", proposed by E. Corks, responded to by Prof. Hatte. "Our Guests", proposed by F. A. Harley, responded to by W. A. F. Campbell of Port Hope and Mr. Hamilton of Toronto.

The above toast list was interspersed with vocal and instrumental selections by Mr. Hamilton of Toronto; Miss Leavitt, Mrs. Henderson, Miss Josephine Willson and the Thompson Brothers. Our local talent acquitted themselves splendidly in their various selections which were much appreciated. The numbers by Mr. Hamilton, who is one of Canada's foremost vocalists, delighted everybody. His genial manner and willing response to repeated encores added much to the pleasure of the occasion. His rendering of "My Ain Wee Home", carried the memory of more than one bonny Scot present, back to the land of heather and haggie.

During the evening the chairman announced the winning of the World's Championship for typewriting by Miss Annie Sullivan and the Secretary of the Chamber of Commerce was instructed to convey to Miss Sullivan the congratulations of the citizens of Georgetown.

A Successful Drive

Over \$3,500 Collected for Soldiers' Presentation Fund

Once more the citizens of Georgetown have demonstrated the fact that they are equal to any reasonable demand when the same is made for a worthy cause. The canvass on Friday last to raise funds with which to make a presentation to our returned soldiers on July 1st, was a huge success, some \$3,500, almost the total amount required, being raised in one day. The balance will no doubt be contributed by citizens whom the committee were unable to see on Friday.

We expect to publish a full list of contributors in next week's Herald.

The watches have been ordered and are now being suitably engraved and made ready for presentation at the big G.W.V.A. demonstration here on July 1st.

THANKS
The committee in charge most heartily thank the citizens of Georgetown for the prompt and the Bell Telephone asked permission to have the shade trees on Main St. trimmed as they were interfering with the wires.
