When you are in the city look at the boots in the windows on Yonge St. marked \$15 and \$10 a pair, then look at the three hundred pairs I have just landed in my store at from \$8 to \$7.50. These boots have been all over Quebec, British Columbia and Western Ontario and are the best travelling samples that can be produced from picked leather and made by picked men in the factory. I bargained for these samples four months ago and was waiting on them, so now see them. Nothing like them ever seen in Georgetown. Sizes mostly men's 8 to 7 1/2 styles, some leather lined, and can be seen only at Roney's the man who is making a name for Georgetown for boots at cut prices. The nearest shoe repairers in town.
