Meet Miss Brunswick at Georgetown Fair Sept. 29 - 30

She is listening to the wonderful Tone of the Brunswick-produced by the exclusive Ullona and the Round All-Wood Horn.

You will like the Brunswick just as much as she does, because what pleases you most is Tone.

And it is in Tone that the Brunswick surpasses all former achievements, as well as in versatility and superior cabinet work.

Make it a point to come to our exhibit before leaving the Fair. We are offering special terms during the Fair. \$10.00 down will place any Brunswick Phonograph and 12 Records in your home, and you pay the balance in small monthly payments, without any interest.
