Returned Soldiers **Insurance Act**

All the returned soldiers and their families will be interested in the Returned Soldiers' Insurance Act, under which they are provided with a an opportunity of ob taining Life Insurance at most favorable rates. The Act became effective on September 1st, 1920,

and will remain in force for two Under the provisions of the Act any honourably discharged soldier, or nurse, of the Canadian Forces domiciled and resident in Canada, may insure with the government to an amount of from \$500.00 to \$5,000.00. Under certain conditions the widow of a returned soldier, who died subsequent to discharge, may also obtain insur-

and hold an honourable discharge. Many of those who served overseas, while not suffering from a severe disability, find that their physical condition is such that they are unable to obtain life insurance at all or only at much higher rates than are normally demanded. They therefore, find themselves severely handicapped in providing protection for their dependents. Under the Returned Soldiers' Insurance Act all returned men are placed on equal basis as no medical examination is re-

The premium rates are low. They vary with the age of the insured and the plan of insurance chosen. At the age of twentyfive a straight life policy for \$1000.00 costs \$1.24 per month. At the age of thirty-five the rate is \$1.70 per month. Beneficiaries are limited in the case of a married man to his wife and children. An unmarried man or a widower without children is required to name his future wife and children as beneficiaries. Should the insured die unmarried the insurance money may be paid to one or more

of his immediate relatives according to his will. An exceptional advantage of this insurance is the provision made for a disability benefit. Under this section should the policy holder become totally and permanently disabled he is relieved from paying further premiums and the insurance money is paid to him direct in annual instalments equal to one-twentieth of the total

amount of the policy-Booklets explaining the Act, and application forms may be obtained from all branches of the Great War Veterans' Association ; The Soldiers' Aid Commission; Imperial Veterans of Canada; Grand Army of United Veterans; Department of Soldiers' Civil Re-establishment : Military District Headquarters and District Offices of the Board of Pension Commissioners ; or direct from the Commissioners.
