In Memoriam
SUTTON—"At Rest" In loving memory of the late Lance Corporal, Stanley Sutton, who passed away at the General Hospital, Toronto, on Saturday, May 15th, 1920, aged 37 years.
Not dead to us, we love her still;
Not lost, but gone before.
She lives with us in memory,
And will for evermore.
"Her end was peace."
Sadly missed by her Children, Sister and Brother.

About the By-Law

On Monday next, May 23rd, the property owners of Georgetown will be called upon to vote on a By-law to loan Marshall, Hudson & Co. the sum of \$3000 to assist in building and equipping a shop-akin-tannery in Georgetown. The sum asked is not a large amount and is a straight loan and the borrowers pay back the principal and interest in ten annual instalments as set forth in the By-law. The Company will spend at least \$3000 of their own money in addition to that borrowed from the town, on the erection and equipment of the plant. A first mortgage on the land, building and equipment will be given the town as security for the \$3000 loan. We fail to see where it is at all possible for the town to lose anything as we feel sure the security is ample. The men connected with the enterprise we believe to be capable and honorable men, who will do their part to make a success of this new industry. They have not asked, nor are they to receive any other concessions into consideration, don't you think it good business to support the By-law and help keep Georgetown in the industrial we are proud of the industry we now have, and appreciate the fact that their location here has been instrumental in making Georgetown what it is today. Let's put an other link in our industrial chain on Monday next by supporting the By-law.

WE UNDERSTAND THE Horticultural Society are going to put garbage cans at convenient places on our streets, as receptacles for paper, etc. It is to be hoped the public will use them instead of throwing the waste paper on the street. Kindly bear this in mind and do your part to keep our streets free of unsightly papers, banana peels, etc.

Base Ball

The Georgetown Baseball Team will open the season of 1921 on May 24th with an exhibition game at the East St. Helen's team of Toronto, winners of the G.W.V.A. tournament here last year. This should be a real game as Georgetown has obtained the services of two good pitchers, also several other fast men. Will the following kindly note: McGill, McMinistry, Graham, McKinnon, White, Owens, McCartney, Cole, Cave, Hunter, Arnold, W. Cole and Scott.

Thanks

Having disposed of my restaurant and confectionary business to Mr. Druka, who is now in possession, I take this opportunity to thank my many customers for their liberal patronage during the years I have been in business in Georgetown. May health and prosperity always be with you.
Also I invite you to continue to patronise my successor who comes to town highly recommended as a business man and a gentleman.

Special Summer Meeting

The Georgetown and Esqueping branches of the Women's Institutes are uniting for their special summer meeting to be held in the town hall, Stewarttown, on the afternoon of Thursday, May 26th, at 8 o'clock. Miss Emily J. Guest, M. A., a practical woman of wide experience, who was given the official thanks of the Scottish and English Agricultural Boards for her war services, will be the principal speaker and the subject chosen is—"Progress planning in the Institutes, combined with the place and power of young womanhood in the new era." There will be a musical program and the meeting will be started on time. Everybody welcome.

More Foreign Trade

Messrs. Harley-Kay, Limited, who have developed substantial export business, have just received a cable from a large mill in New Zealand for another 40 spindle winder. It is interesting to know that Georgetown machinery can compete successfully with the product of English and American builders in the foreign market. The journey of these machines to destination is something unusual. Shipments are made from here to Montreal, then by boat to Halifax, St. S. Havana, Cuba, through the Panama Canal, up the west coast to the Hawaii Islands, thence across the equator to the Fiji Islands, then to Sydney, Australia, and from there 1800 miles south to Wellington, New Zealand, from which port they pass inland to the city of Palmerston, North.

I have taken over the repairing department of the Honey shoe store and am getting in all kinds of power machines such as rollers, stitchers and finishing machines and will turn out work that will be a credit to Georgetown at the same old prices as former. I can save you 50c on the \$1.00 pair while you wait.—Allan Honey, professional shoe maker and repairer.

First, Last and Always

We are First to reduce prices, Last to raise them, and Always at your service. We take great pleasure in announcing the reduction, to 50c per lb. of all our 60c chocolates; including our Hand Rolls. The reduction of the Government tax from 12 to 8 per cent. does not fully warrant such a big reduction, but we expect that the big increase in business that will naturally follow such a large reduction in price will make up for the smaller profit. This price is the pre-war price and it gives us a lot of pleasure to be in a position to sell you such a High class chocolate as our Vanilla Gloria etc. at 50c per lb. We manufacture all our own chocolates and the more we sell the less we can sell them for. We thank you for your very liberal patronage in the past.
We are First, Last and Always Yours for better service.
