they formed in front of the grand
stand and sang several patriotic
selections under the leadership of
Mr. Castell, for which they were
loudly applauded.

Prof. Reynolds, Principal of the
O. A. C. Guelph, was introduced
and delivered a short but very
appropriate opening address in
which he commended the citizens
of town and vicinity for the great
community spirit exhibited by
their attendance at the picnic.

The program of sports was then
announced and the different
events were keenly contested
from the wee kiddies' races to the
big 1st men's race where Vernon
Smith and Jack Willoughby out-
distanced their competitors and
made the 50 yd. dash in the re-
markable time of 6 seconds flat.
Vernon winning by a few inches.

Neil Gillie's husky braves from
the Scotch Block sustained their
reputation in the tug-of-war con-
test by easily defeating their op-
ponents. The first draw was be-
tween Scotch Block and Terra
Cotta, the Scotch Block winning;
the next draw was between
Georgetown and the Coating Mill,
the Coating Mill winning; then
the Coating Mill and the Scotch
Block pulled off, the honors going
to the latter.

Climbing the greasy pole and
catching the greasy pig were two
contests which caused consider-
able amusement. In the former
Eric Emerson made a brave at-
tempt but failed to make sufficient
headway to get his feet off the
ground. In the latter Jack Toas
was successful in capturing the
pig.

The children's play ground at
the west end of the park attracted
many of the small tots and they
certainly had a good time. The
National Council of women who
provided the testers, swings, slide
and sand pile are to be commended
for their effort which made such
a splendid time possible for the
kiddies.

The ball tournament of public
school teams was won by the boys
of Glenwilliams school. The
teams competing were from Acton,
Seventh Line School, Glenwilliams
and Georgetown.

Stewarttown won the soft ball
game by defeating Norval 17-4 and
Georgetown 9-5.

Our Citizens Band was present
and rendered a program during
the afternoon which was much ap-
preciated.

Ben Petch was master of cere-
monies during the afternoon and
did his part well as usual.

EVENING ENTERTAINMENT

The garden party and concert
held in the Park in the evening
was largely attended and the pro-
gram was one of the best, de-
lighted all. Every artist appear-
ing was loudly applauded and their
numbers appreciated. The pro-
gram was opened by Community
singing led by Mr. L. V. Hourigan
with Mr. Castell at the piano.
Then followed selections by Miss
Kathleen Gorrie, soloist; Miss
Marjorie Lalimer, violinist; Mr.
Frank Oldfield, baritone soloist;
Mr. Greenwood, elocutionist; and
a local quartette composed of
Messrs. Ralph Ross, A. Herbert,
A. B. Castell and A. Black. Mrs.
Ralph Ross, Mrs. H. B. Hender-
son and Mrs. A. Herbert were the
capable accompanists of the even-
ing. The program was intersper-
sed with selections by the band.

At the close of the program
some of the young people enjoyed
a dance in the drill hall.
