Terra Cotta

The garden party under the auspices of the Methodist church on the beautiful grounds of Mr. E. Sutherland on Thursday evening was a great success. The evening was fine, the weather large and the program good. Rev. Mr. Alton was the chairman and announced the following who provided the entertainment: J. A. Kelly, ventriloquist; Campbell's Orchestra of Campbell Cross, and Rev. Mr. Patterson and Mr. Roth, who delivered a splendid address. The large booth was a dress of white georgette crepe well patterned and the proceeds were quite satisfactory.

The paper entitled "The Vitaminaderide" wore a navy blue tailleur by Mrs. Starrett Leslie and suit with hat and veil to match. Excellent article from the paper. Among the numerous and beautiful Mrs. Nellie McClung read by Mr. present was a reading lamp. Bert Taylor was followed by presented by the teachers, others recitation by Miss Ruth Anderson and members of the Hy-Shy-Ny. The musical part of the program of the Methodist Sunday School consisted of piano solos by Misses Gibson. The men contributed a quantity of money for the trial of the Steffens. The women planned damages from the defense of the court. Then followed the usual luncheon for the cutting of trees on the highway opposite his property without giving the ten days' notice required by law. The plaintiff gave evidence as to the cutting of the root and that without notice, there were four second growth pines and some small cedar trees. Mr. Hutt, late of the O. O. A. helped with the only other witness for the plaintiff. His evidence was as follows: value of the trees. There were nine witnesses for the defense, to show that the cutting of the trees was necessary as their presence on a steep slope above the roadway was detrimental to the road. They swore that three of the pines were dead. The man who got the trees from the council for removing them, he had the pleasure of saving and they yielded a little over 400 feet of wood and about a cord of wood, worth about \$5 after cutting and removal. Judgment was reserved. Counsel, for plaintiff, Mr. Walsh of Toronto, for defendant, Mr. Dale of Georgetown.
