Tuxis Notes

All is well at Camp Lookalay. The boys from Georgetown, according to last reports, have won all camp honors so far and every boy expects to come back with at least one Honor badge.

Parents' Day is Wednesday, July 18th.

The sympathy of every Tuxis Boy and the entire organization is extended to Mrs. Marie Henderson and family in the death of her son, George, who was a member of the Bull Dogs Tuxis Square and who lost his life in a drowning tragedy on Sunday at Limehouse.

Personal

Mr. John R. Murdock left this evening for Vancouver to visit his sister, who is ill.

La. Col. Ballantyne D. S. O. of Colgate University, Hamilton, N. Y., and Mrs. Ballantine, are spending the summer at their home on the mountain.

Mr. William Skirrow, of Toronto, spent a couple of days at the home of Mr. Arthur Evans, 8th line this week.

Mr. D. McDonald, of Carbon Hill, Alabama, is visiting relatives in town.

Glenwilliams

We are glad to learn that Mr. John Hewitt who was severely shaken up when his horse ran away and threw him out at Georgetown last week, is recovering nicely.

Miss Wright is out of hospital and convalescing.

Mrs. Hepburn is spending a few days with relatives here.

If the hot weather continues some of the boys are talking of "donning the kilts."

Mr. John Thompson's stone jug ginger beer is greatly in demand these days.

Rev. Mr. Sharpe of Bronte took charge of the services at the Methodist church last Sunday. He will have charge next Sunday.

Coms out and hear him.

Mrs. Norton and Misses Maude and Ida Norton have arrived home for their vacation. While they were away for some months, a thief broke into the house and stole quite a number of articles including blankets, rug, dishes, etc.—We hope the thieves may be apprehended.

Norval

Mr. W. J. Campbell, Miss Pearl Campbell and Mr. Arthur Campbell left last Saturday on a trip up the lakes to Duluth.

Mrs. Hoester and Master Frank, accompanied by Mr. Waite, left on Monday for their trip to the west. They went to Sarnia and took the Huronic, which will give them a very enjoyable trip by water.

With 91 members of the family present at their annual reunion last week at the home of Mr. Philip Early, the gathering was the best success since this event was first introduced. Mr. Alex. Noble was Chairman, and directed the program of sports and music. Nothing had been spared by the energetic committee to make the day an enjoyable one. A picnic dinner was served, at which speech-making punctuated the many courses.

THE FARMERS' SUN is convinced that there must be something wrong somewhere when hides, wool, grain, livestock and other farm products "can hardly be given away, yet shoes, woollen goods, bacon and cereals are still pegged at somewhere around war levels." The feeling is not confined to the Farmers' Sun.

IT IS EXPECTED that a strenuous fight will be put up by the owners of the motion picture rights of the Dempsey Carpentier fight for permission to show them in Ontario. They argue that they are not fight pictures, but only a show of a "boxing exhibition" held legally under the laws of New Jersey. They claim that similar boxing exhibitions have been allowed in Ontario under the supervision of the boxing commission. Attorney-General Haney has stated that there is nothing in the criminal code to prevent the pictures being shown and that it was a matter for the censor to deal with. He did not state his own position on the subject.

Three New School Books
When the Public Schools of Ontario re-open in September three new text-books, the geography, history of Canada and history of England will be introduced. The prices will be the same as for the old text-books.

—These are the days of shirt sleeve diplomacy. What a man cannot do in his shirt sleeves he is going to leave undone.

—The penalty for stealing an automobile will be a year in prison, without the option of a fine, is a new amendment to the Criminal Code.

—One of the big yellow buses of the Lake Shore Bus Co. was destroyed by fire on Friday night last near The Anchorage, west of Clarkson, on the highway.
