Base Ball
Georgetown ball team has demonstrated more than once this season that they can play ball and sustained their reputation Tuesday when they defeated Milton by a score of 4-3 after a very interesting game. Now good clean sports should be encouraged and our ball team should have a larger patronage than they have. There will be a good game in the park here on Saturday afternoon of this week, July 16th, when the strong Acton nine will play our boys. The game is called for 8 o'clock and the boys would appreciate your presence. Come and see the game and show the boys they are not lacking the support of their home town.

Dear Sir—Allow me a few words of a letter which appeared in your paper two weeks ago written by Mrs. Wm. Anthony in regard to her appeal against her assessment of 1921.
A general meeting was held on Saturday afternoon at the Town Hall and requested to see Chief Melville after the interview came to me and said that Mrs. Anthony requested her appeal withdrawn as she had consulted a lawyer who had advised her to do so.
Sincerely yours,
F. L. Heath, Clerk.
